Eight miracles Elijah are recorded in Scripture
Elisha asked for a double portion of Elijah's spirit --
Sixteen miracles are recorded for Elisha.
The Song of Moses and of the Lamb (Greek) (Rev. 15:1-5)
totals 9261 ( $3^{3} \times 7$ 3)
The number 666 is also the sum of all numbers which make up the square of 6 (36)! I.E. $1+2+3+4+5 \ldots+36=666$
These numbers can also be arranged in a square such that the sum of the six figures in any direction totals 111.111 is the twenty-ninth $(4 \times 7)$ prime number.

## 666 is also the sum of the Roman Numerals:

D=500
$\mathrm{C}=100$
$\mathrm{L}=50$
$\mathrm{X}=10$
$\mathrm{V}=5$
$\mathrm{I}=1$
The first pair total 600, the second pair totals 60 , and the third pair totals 6 .
*Note the use of M for 1000 according to Bullinger may have actually been two D's put together!
The use of the number $\underline{1}$ is also important for first occurrences:
The first use of "Hallelujah" in the Old Testament is in Ps. 94:35:
"Let the sinners be consumed out of the earth, And let the wicked be no more. Bless thou the Lord, O my soul, Hallelujah."
The first use of "Hallelujah" in the New Testament is in Rev.
19:1-3 "I heard a great voice of much people in heaven, saying Alleluia; salvation, and glory, and honour, and power unto the Lord our God; for true and righteous are His judgments; for He hath judged the great whore, which did corrupt the earth with her fornication, and hath avenged the blood of His servants at her hand, and again they said Alleluia."

Notice that in both cases this word of praise is associated with judgment of the ungodly.
The first occurrence of the word HOLY, is in Exodus 3:5 -- Not in
the book of Genesis which is the book of beginnings, but in the Exodus which is the book of redemption! As Bullinger says: "The creature cannot understand anything about holiness except on the ground of redemption."

The first question in the Bible is from God: "Where art thou?"
Gen. 3:9
The first question in the New Testament is: "Where is He that is born?"
Matt. 2:2

Although I had researched numbers in Scripture long before I heard about Bro. Bullinger, much of the material in this paper is taken directly from his work which is far more extensive than I have had time to investigate. Space and time prohibit my continuing this study further. The lists go on and on and on. No human, even with the most sophisticated computers could have so eloquently stamped the numerical signature of God throughout the entire Bible. The point of all this is simple: The Creator of the universe is one and the same as the Author of Scripture. The more carefully and exactly we study God's word, the more absolute proof we have that only He could have put it all together. Hopefully, these facts will present you with a new sense of respect for Jesus' words: "Not a jot or tittle (literally, not even the dot of an i) will pass away until all is fulfilled."
