

[A-14] The Great Deception, Evolution, The Majority Text

www.TheWordNotes.com

It all began with a question: “Did God say...?[Gen. 3:1]” and it ended with a bold-faced lie: “You shall not surely die... {God lied to you}[Gen. 3:4].”

Jesus said: (18) **Because truly I say to you, Until heaven and earth pass away, not the smallest letter or stroke of the pen shall pass from the law, until all is fulfilled** [Mat. 5:18 KJP]. See **[A-11] How Did Jesus Use Scripture?**

Most conservative Christians recognized from the very beginning that evolution was a lie and based on the same lie used by Satan in the garden of Eden. Now that DNA and all its complexities has been discovered many scientists are finally coming around to recognizing evolution as the lie that it is. Evolution is physically, chemically, and biologically impossible. Unfortunately, the vast majority of modern-day theologians have not recognized that the Majority Text (also called the Critical Text) {which the vast majority [but not all] of modern Bibles are based on}(I have three on my website that aren't.) **is based on the same lie [that Jesus lied about scripture]{God's Word can't be trusted}!!**

The Bible codes demonstrate indisputably that if a single letter is removed from Scripture the codes are broken. The reason most theologians today reject the Bible codes even though they have been independently verified by mathematicians and computer analysts at Harvard and Yale as well as the Hebrew University in Israel is for the same reason that many scientists still cling to evolution – they don't want to believe in a Creator Who will hold them accountable for the life they live.

The Majority Text which was pieced together during the late 1800's by B.F. Westcott, J.A. Hort, and others **is based on the same lie as evolution – God's Word can't be trusted.** You can't say “ALL scripture is inspired by God [literally the very breath of God]” and say – “but it's OK to remove dozens of verses from the Bible and change hundreds more.” The Hebrew Masoretic Text and the Greek Received Text [referred to collectively as the Traditional Text] were accepted officially as canon by the church in 325 A.D. and the Bible was accepted by Christians as the inerrant Word of God until the late 1800's. If a person says: “This was added to the scriptures at a later date,” **they are accusing Jesus Himself of lying.**

All Bibles printed before the late 1800's used the Traditional Text as their cornerstone for publication since the Majority Text did not exist. Most who accept the Majority Text have never even looked into the background of the men who fabricated it.

I believe that Jesus was and is God; He was truly born of a virgin; He truly lived a sinless life; He truly died on the cross as an atonement for the sins of the world; He truly was resurrected from the dead; He is currently seated at the right hand of the Father; and

He's coming back again. The fabricators of the Majority Text believed none of these things **as documented in their own letters** archived in the British Museum in London and quoted verbatim in references given below.

His Word will be justified! One day ALL will know that Jesus told the truth because - Jesus IS God. Hopefully, true Christians will know these facts BEFORE Jesus comes back!
