ALL SCRIPTURE IS INSPIRED BY GOD {II Tim. 3:16}, not 90%, not 99.9%, but ALL, but unless the Holy Spirit draws a person to accept the meticulous detailed accuracy of Scripture, no facts or figures will convince them of the truth of God's Word. Those who reject the inspiration of Scripture do so not because of some supposed "errors" of Scripture, but because they do not want to believe that there is a **Creator** Who will hold them accountable for the life they live.

The **Author of the Bible** is **One** and the **Same** as the **Creator of the universe** Who laid out our universe with laws of mathematics and science and He has placed details of math and science throughout His Word to show that He is in fact its Author.

Details. Details, Details

I used to tell my computer students when we were building computers for our school at Moody high school you have to pay attention to details. The same is true in Bible study. Every letter, every word is important! The tense (present tense, past tense, future tense) is important, the way the verse is worded is important, the context it is written in is important. Every detail is important.

You will be blessed if you will take the time to **read** God's Word. You do not have to **STUDY** God's Word to be blessed! But if you will take the time to **STUDY** God's Word, "it will bless your socks off!!!"

Professor Arthur M. Smith, Bible teacher at Texas A&M University for many years, was once asked whether he was ever bothered by people getting 'knit-picky' with the scriptures. His response was, **"No, because when people get seriously 'knitpicky' with the scriptures, they'll come out believers every time!"**

[B-7] WORLD TIME LINE OF BIBLICAL HISTORY

{With notes and Scriptural references by Sonny Stephens -- revised 8/16/2022}

The chronology used in most Bibles is from Archbishop Ussher published in 1650 A.D.. He puts Adam's creation at 4004 B.C. and the exodus at 1491 B.C. The chronology compiled here is based on the Scriptures and the outstanding work of Dr. David L. Cooper, president of the Biblical Research Society. For more information on this subject see his book: <u>Messiah: His</u> First Coming Scheduled, published by the Biblical Research Society, Los Angelos, Ca.. {1939} [See <u>www.biblicalresearch.info</u>] I have personally verified all counts, added Scriptural references, and have both noted and given explanations for the departures from the traditional chronology. B.C. dates given here have been corrected in accordance with Dr. Cooper's findings, except for the 4 year error dating the birth of Christ at 4 B.C. which has been retained in order to keep our present Gregorian calendar intact. Any errors which may be discovered in the B.C. calendar or in our modern Gregorian calendar do not in any way affect the accuracy of the A.H. calendar prior to the crucifixion of Jesus Christ. There is some question even among historians as to the exact year of Jesus' birth. Some say as early as 5 B.C.; others as late as 1 A.D. The commonly accepted 4 B.C. has been accepted here until more evidence proves otherwise.

There are two Biblical events which are subject to at least some degree of interpretation: (1) The first question is whether the Ammonite rule over the eastern bank of the Jordan (2852 A.H.) and the Philistine rule over the rest of Israel (2923 A.H.) were actually concurrent. {At least for the present I am standing by Dr. Cooper's analysis which indicates these events were not concurrent even though this is not commonly accepted.} (2) The second question is whether the reign of Abimelech (2826 A.H.) should be counted as part of the oppression years, since he had no legitimate claim to the judgeship. {Again, I am going with Dr. Cooper's position, that because Abimelech usurped the judgeship, his reign should be counted as part of the oppression years.} I remain open on all of these issues until it can be clearly demonstrated otherwise. Since the oppression years were not counted in the 480 years from the Exodus to Solomon's fourth year (I Ki. 6:1,38), either of these events would affect the over all chronology after Abimelech's judgeship began in 2826 A.H. All dates given unless indicated otherwise are Scripturally accurate to within a year. (Dates in parenthesis are from secular history sources but in no way affect the Biblical chronology.)

A.H. - Anno Hominis -- Year of Man -- figured from the creation of Adam and Eve. This calendar does not correspond to the Jewish C.E. (Creation Event or Common Era) calendar due to the halting of the Jewish calendar during periods of oppression which has created a number of discrepancies. See notes at end of this document. See also: <u>How Long Was Israel In Egypt?</u> at <u>www.TheWordNotes.com</u>

B.C. - **Before Christ** - dates can be obtained by subtracting the A.H. date from 4042. {or 4039 if Jesus was born 1 A.D.} The question of the possible concurrent rule of the Ammonites and Philistines [2852 A.H. and 2923 A.H. respectively] would reduce the difference between the traditional 4004 B.C. and 4042 B.C. by 31 years giving a difference of only 7 years. See note at end concerning the 83 year error with modern chronologies.

Gen. 12:4; Acts 7:4) {Note that Abram is the tenth generation from
Noah.} At first glance at Gen 11:26 it appears that Terah was 70 when
Abram was born, but since Terah lived to the age of 205 {Gen. 11:32} and
Abram left for Canaan after Terah's death {Acts 7:4} Terah had
to be 130 at the time of Abram's birth. Although Nahor#2 is the oldest
son of Terah, Abraham is listed first in Gen. 11 because of his
importance. See note on Shem's birth {1558 A.H.} above. [Jewish
chronologies do not accept Acts 7:4 and therefore assume Terah was only
70 when Abram was born.]

Notes:

The A.H. dating can be verified Biblically through the year 3589 A.H. when king Cyrus issued the decree to restore Jerusalem [Is. 44:28]; together with the prophecy of Daniel the date of Jesus' crucifixion can be accurately and Biblically determined.

World Time Line of Biblical History – Page 12 [Not A Jot Or A Tittle page 18]

{With the three above noted question marks.} By adding the year 1948 A.D. and the four year error in the dating of the birth of Christ (4 B.C.) to the year of Christ's birth 4038 A.H. we can place the re-birth of Israel as a nation in the year 5990 A.H.. I am not completely convinced that the 4 year error at the birth of Jesus is the only error in the Gregorian calendar. Also, it should be noted that because of the overlapping chronologies given for the Northern and Southern kingdoms given in scripture, the dating of the reigns of the kings gives us a chronology during the divided kingdoms of plus or minus half a year. However, after the fall of the Northern kingdom, there is no longer an overlapping chronology for checking. Thus there may be a half-year error for each king's reign from Hezekiah to Jehoiakim {5 kingships} for a total of 2 1/2 years in possible question. An additional note on the A.H. calendar. The A.H. calendar is believed to be a lunar/solar calendar which was adjusted to be kept in line with the solar year. For more information on this subject see the section: "How Long Was a Day In Genesis" at www.TheWordNotes.com.

Additional Notes on chronology of the Old Testament:

The time period from the promise given to Abraham until the Law was given was 430 years. {Galatians 3:16-17} But Genesis 15:13 implies {in English} that Abraham's descendants would be enslaved for 400 years {four generations}. The Jews know that Gen. 15:13 does not mean Israel would be enslaved for 400 years and they correctly note in their teachings that the actual bondage was not 400 years but a couple of hundred years. {They don't know the correct time period because they don't accept the New Testament. - Galations 3:17 tells us there were 430 years from the time the promise was given to Abraham until the law was given to Moses.} By subtraction we can determine that Joseph who died at the age of 110 – died 286 years after the covenant was given to Abraham. This means there was only 144 years from the death of Joseph until the Law was given to Moses who was 80 at the time. – Moses parents could well have known Joseph while he was still alive!!

If Genesis 15:13 does not mean the Israelites would be in bondage for 400 years, what is the correct translation? The literal translation goes something like this: Your descendants will be strangers in a land that is not theirs for four hundred years and will also be afflicted. --- Every Jew knows this is correct, but many Christians, especially Protestants get hung up on English translations which by the way they are worded imply 400 years of bondage. The King James version is one of the few versions that gives a correct translation, but it is often misunderstood by those who do not understand 16th century English grammar.

Paul tells us that there were 430 years from the promise to the Law {Galatians 3:16-17}, so where did the 400 year count begin? It began on Isaac's 5th birthday! The promise was given to Abraham when he was 75. Isaac was born 25 years later {Gen. 21:5}.

400 subtracted from 430 leaves 30 years -- 30 years after the promise was given, Isaac was 5 years old. {Note: Ishmael was never counted as a descendant of Abraham.} Why did the count begin when Isaac was 5 years old? - it is commonly believed that the Israelite women nursed their young until about the age of 5 during that time period [Abraham lived to 175 years of age (Gen. 25:7)] – this is commonly believed to be the reason why the 400 years is counted from Isaac's 5 th birthday. Isaac was in a land that did not belong to him!! It became Israel's land when Israel left Egypt. {Although they did not claim it for forty years!}

The four hundred years is a literal time period, but is counted from Isaac's 5th birthday, not from when Israel entered Egypt, nor when Israel became enslaved. There were literally four generations from Isaac to Moses {five counted in the actual ancestral line of Amram {Moses' father}, four for Jochebed {Moses' mother} (Ex. 6:16-20) and others. The Genesis passage also indicates that a generation is 100 literal years!

Second note on Old Testament Chronology

Daniel 9:25-26 Tells us that from the issuing of the decree by Cyrus {as foretold by Isaiah 44:28} until the Messiah is "cut off" -- literally "executed" will be 69 - sevens - i.e. 483 years. This means that from the decree by Cyrus to restore and rebuild Jerusalem until the crucifixion of Jesus was 483 years [If Jesus was 33 as we believe when he was crucified, this means the decree would actually be issued in the year 450 B.C. -- if the calendars were all correct. If you review my chronology I show the year 453 B.C. for the year of the decree because 1) historically there is no year zero B.C. and 2) the common belief is that Jesus was actually born in 4 B.C. rather than 1 A.D. I would not presume that the secular calendars are correct in either case, but I will stand by Daniel's prophecy that 483 years would transpire from the decree by Cyrus to Jesus' execution. There are seven years of unfulfilled prophecy concerning the nation of Israel and Daniel chapter nine gives the reason for those years. {The Revelation and other prophecies give details of those last seven years which are specifically decreed upon the nation of Israel, NOT the church!} It is Daniel's prophecy that allows us to link the secular calendar to the Biblical calendar, and that link is only as good as the accuracy of the secular calendar from the crucifixion of Jesus forward. I'm personally convinced that there are other errors we're not aware of in the secular calendar and possibly some questions about a couple of passages mentioned in my "World Time Line Chart" that gives us a time of over 6000 years from the creation to this date. There are no reliable calendars in existence today, so we probably won't know details until the Lord reveals them to us in His kingdom. It is interesting to note from my chronology that not only were the children of Israel in bondage for 70 years to the nation of the Babylonians, but the temple which was destroyed 19 years after the captivity began, was not completely rebuilt until 19 years after the captivity ended and thus the temple was non-existent for 70 years. Thus the 70 years foretold by Jeremiah 25:12 were doubly fulfilled.

World Time Line of Biblical History – Page 14 [Not A Jot Or A Tittle page 20]

The A.D. [Anno Domini – year of the Lord] calendar was created by Dionysius Exiguus around 525 A.D. which originally set the birth of Jesus at 1 A.D.. Most modern chronologies are based on Archbishop Ussher's chronology which incorporates calculations by Claudis Ptolemy (90 A.D. - 168 A.D.) which has known errors on the reigns of Persian kings. Consequently they have an 83 year error dating the decree of Cyrus to restore and rebuild Jerusalem and ending the Babylonian exile. Due to the 83 year error most modern theologians try to claim that the decree to restore Jerusalem was actually issued by Ahasuerus later to force the traditional chronology to fit with the crucifixion of Jesus. However, Isaiah 44:28 makes it clear that Cyrus is the one who issued the decree. The chronology given here does not acknowledge secular chronologies, but relies 100% upon scripture with the three question marks given in the introduction.

Our own Gregorian calendar was modified in 1582 A.D. By decree of Pope Gregory XIII in 1582 A.D., Thursday, Oct. 4, 1582 A.D. {Julian day -- 2299159} was followed by Friday, Oct. 15, 1582 A.D. {Julian day -- 2299160} to re-align the calendar to the vernal {spring} equinox. He also changed century years to <u>not</u> be leap years unless divisible by 400 {1900 was not a leap year; 2000 was}. These changes were not adopted by England or the colonies until 1752 A.D.

The construction of the modern Jewish calendar during the second temple {around 430 B.C. to 70 A.D.} was done secretly by a handful of men on the Sanhedrin {which in my opinion was modified following Jesus' resurrection to not call attention to His fulfillment of Biblical prophecy} and the calendar construction was made public in the fourth century A.D. out of fears the calendar information might be lost due to the dispersion of the Jews. See: <u>The Jewish Calendar</u> at <u>www.TheWordNotes.com</u>.

Reckoning Jacob's age:

Jacob was 147 when he died, he had lived 17 years in Egypt [Gen 47:28] He came to Egypt in the 2nd year of the famine at the age of 130 [147-17] [Gen. 45:6] -- Joseph was 39 [30 + 7 +2] Jacob was 91 when Joseph was born [130 - 39] Jacob had been in the east 14 years when Joseph was born [Gen. 45:6; 47:28; 30:26; 31:41] Jacob was 77 when he fled from Esau [91 - 14] Isaac was 60 when Jacob was born [Gen 25:26] Abraham was 100 when Isaac was born [Gen. 21:15] Abraham was 175 when he died -- Jacob and Esau would have been 15 at the time.

[B-1] Use Of Numbers In Scripture {Signature of God}

Numbers are the language of all nature and scientific study. The use of numbers in Scripture is a fascinating study all its own, not only because certain words and phrases do in fact occur mathematically consistent numbers of times, but the numerical values of words and phrases {'gematria'} themselves is significant. In Hebrew and in Greek, letters have numerical values – for this reason, every word has a numerical value called its 'gematria.' {See <u>Values of Hebrew</u> <u>& Greek Letters</u>.} The role of numbers in the study of Bible prophecy is mind boggling to say the very least. Its use is far beyond our mortal comprehension. In Daniel 8:13 one angel asks another "How long...". The name of "that certain saint" is given in Hebrew as "Palmoni"

and the name means: "the wonderful numberer."

In March, 1991, I came across an excellent book dealing with these facts in a manner that far expands the short study I originally presented in my Revelation notes. The book: <u>Number in Scripture</u>, by E.W. Bullinger (1837-1913), Published by Kregel Publications, P.O. Box 2607, Grand Rapids, MI 49501 {ISBN 0-8254-2238-8} is an absolute must for anyone willing to take the time and effort to really deal with this subject.

The general rules set forth in Mr. Bullinger's book are stated:

"Where there is no such special significance in the meaning or use of a word, there is no special significance in the number of its occurrences. But where there is a <u>general importance</u> in the word, apart from its direct <u>significance</u>, the word occurs according to law.

All such general and important words-- i.e. such words on which the Holy Spirit would have us place special emphasis, or would wish us to lay special stress-

- occur a certain number of times. These are either--

(1) A <u>square</u> number, or {a number multiplied by itself -- i.e. 4[2x2], 9 [3x3], 16 [4x4], 25 [5x5], 36 [6x6], etc.}

(2) A <u>cube</u>, or {a number multiplied by itself twice -- i.e. 8 [2x2x2], 27 [3x3x3], 64 [4x4x4], etc.}

(3) A multiple of seven, or

(4) a multiple of eleven

It is interesting to notice why these numbers should be thus associated together. They are significant in themselves for <u>seven</u> is one of the four so-called perfect numbers, 3, 7, 10, and 12, as we shall see below.

3 is the number of **Divine** perfection

7 is the number of <u>Spiritual</u> perfection and completion

10 is the number of Ordinal perfection and fullness

12 is the number of Governmental perfection."

Note on prime numbers -- Prime numbers are numbers that are only divisible by themselves and one. They represent a unique attribute of God: Although He is three-in-one, the Father, the Son, and the Holy Spirit, He is indivisible-- where one is, all members of the God-head are -- which is everywhere at all times.

Prime numbers through 1000 {Math Standard Tables}: 2[1],3[2], 5[3], 7[4], 11[5], 13[6], 17[7], 19[8], 23[9], 29[10], 31[11], 37[12], 41[13], 43[14], 47[15], 53[16], 59[17], 61[18], 67[19], 71[20], 73[21], 79[22], 83[23], 89[24], 97[25], 101[26], 103[27], 107[28], 109[29], 113[30], 127[31], 131[32], 137[33], 139[34], 149[35], 151[36], 157[37], 163[38], 167[39], 173[40], 179[41], 181[42], 191[43], 193[44], 197[45], 199[46], 211[47], 223[48], 227[49], 229[50], 233[51], 239[52], 241[53], 251[54], 257[55], 263[56], 269[57], 271[58], 277[59], 281[60], 283[61], 293[62], 307[63], 311[64], 313[65], 317[66], 331[67], 337[68], 347[69], 349[70], 353[71], 359[72], 367[73], 373[74], 379[75], 383[76], 389[77], 397[78], 401[79], 409[80], 419[81], 421[82], 431[83], 433[84], 439[85], 443[86], 449[87], 457[88], 461[89], 463[90], 467[91], 479[92], 487[93], 491[94], 499[95], 503[96], 509[97], 521[98], 523[99], 541[100], 547[101], 557[102], 563[103], 569[104], 571[105], 577[106], 587[107], 593[108], 599[109], 601[110], 607[111], 613[112], 617[113], 619[114], 631[115], 641[116], 643[117], 647[118], 653[119], 659[120], 661[121], 673[122], 677[123], 683[124], 691[125], 701[126], 709[127], 719[128], 727[129], 733[130], 739[131], 743[132], 751[133], 757[134], 761[135], 769[136], 773[137], 787[138], 797[139], 809[140], 811[141], 821[142], 823[143], 827[144], 829[145], 839[146], 853[147], 857[148], 859[149], 863[150], 877[151], 881[152], 883[153], 887[154], 907[155], 911[156], 919[157], 929[158], 937[159], 941[160], 947[161], 953[162], 967[163], 971[164], 977[165], 983[166], 991[167], 997[168]

1-- a reference to unity in God (one or first) The first commandment - "Thou shalt have no other gods before me." "Seek first the kingdom of God..." Mat. 6:33 "The first and greatest commandment... Hear, O Israel the Lord our God is one..." Mat 22:37-38 Eph. 4:4-6 -- "One Lord, one faith, one baptism..." - The first question in Genesis is: Where art thou? Gen. 3:9. The first question in the New Testament is: Where is He Who is born...? Mat. 2:2

2--[a prime number] number of witnesses required by law (Deut. 17:6; 19:15; Ex. 31:18) Note two testaments to God's plan--Old Testament and New Testament; two witnesses-- Israel and the Church; two witnesses in the Revelation (Rev. 11:4f) There are two genealogies of Jesus given in Scripture. Matthew gives the "Royal" descent (through Joseph) and is in ascending order, Luke gives the "human" descent (through Mary) and is in descending order. Also the number two is used for contrast: The first Adam, the Second Adam, etc.

3--[a prime number] number for God (a reference to the Trinity) The word for God (Eloheem) in Hebrew is a plural noun which requires at least three individuals because of the ending (eem) used. Hebrew has a different ending for singular and duo (two). Also a reference to

"resurrection"; the land rose out of the water on the third day of creation, Jesus arose from the grave on the third day, the future resurrection of God's two witnesses in Jerusalem will occur after three days. The word "Trinity" is not found in the Bible but the word "Godhead" occurs exactly <u>three times</u> [Acts 17:29; Rom. 1:20; Col. 2:9]

4-- number for all the world (Probably a reference to the four directions-- north, south, east, west.) On the fourth day the heavens and earth were completed. (The fifth and sixth days God added plants, animals and man.)

5-- [a prime number] number for the grace of God (4 + 1) -- Peter's number -- see notes on Peter in **Interesting Biblical Number Facts**

6-- number for mankind (man was created on the sixth day) also six is one less than seven-- the number for completion. (Man is incomplete without God.) The Greek name for <u>Jesus</u> ($\eta\sigma\sigma\nu\varsigma$) consists of six letters.

7-- [a prime number] number for completion (6 days of creation plus 1 day of rest gives the complete week of creation) Also, number for spiritual perfection. The Greek name for Christ ($\chi\rho\iota\sigma\tau\sigma\varsigma$) consists of seven letters. The numbers 6 and 7 are often used together in Scripture.

8-- (2^3) a number used throughout the Scripture for our Lord. The cube of the number 2. The name <u>Jesus</u> { $\eta \sigma \sigma \upsilon \varsigma$ } in Greek totals 888 {10+8+200+70+400+200}, { 2^3x3x37 } the name <u>Lord</u> { $\kappa \upsilon \rho \iota \sigma \varsigma$ } in Greek totals 800 {20+400+100+10+70+200}, the name <u>Savior</u> in Greek { $\sigma \omega \tau \eta \rho$ } totals 1408 which = $8^2 x 2 x 11$, the name <u>Messiah</u> in Greek { $\mu \epsilon \sigma \sigma \iota \alpha \varsigma$ } totals 656 which = 8 x 82 The numbers 7 and 8 are often used together in Scripture.

9-- number for finality or judgment ($666 = 2x3^2x37$) (The name Dan in Hebrew totals 54 which is 6x9) {The tribe of Dan is excluded from the list of tribes listed in the Revelation.} The Greek words for <u>Abyss ($\alpha\beta\nu\sigma\sigma\sigma\varsigma$)</u>, <u>ungodly ($\alpha\sigma\epsilon\beta\eta\varsigma$)</u>, <u>lightning ($\alpha\sigma\tau\rho\alpha\pi\eta$)</u>, and <u>lasciviousness</u> ($\alpha\sigma\epsilon\lambda\gamma\epsilon\iota\alpha$) all occur exactly 9 times. The sum of the 22 Hebrew letters is 4995 which is 5 x 999 the numbers of Grace and Finality! Nine comes before 10 -- for Christians, our judgement comes before our perfection. For the children of Satan these numbers are reversed: i.e. : they think they have perfection, but their end is judgment.

10-- number for perfection or cleansing (perfecting of someone or something) The Ten Commandments are the perfect law. (See Rom. 7:12-16) (Seven plus three equals ten-- the complete (seven) Law of God (three). Noah was the tenth generation. The commandments are divided up into <u>three positive</u> 'Thou shalt' and <u>seven negative</u> 'Thou shalt not.' There are <u>four</u> <u>duties</u> of the world (four) to God and <u>six duties</u>

of mankind to one another. The Church at Smyrna is told that it will have affliction ten days. (Rev. 2) There are ten days referred to as the days of affliction by the Jews which occur from Rosh Hoshanah to the Day of Atonement (Yom Kippur.) There are ten parables of the Kingdom in Matthew. (Seven in chapter 13, and three in chapters 22 and 25.) Also, 2 times 5 -- see 2 and 5 above.

11-- [a prime number] one short of the number 12, Nebuchadnezzar began his destruction of Jerusalem during Jehoiakim's eleventh year (II Ki. 23:36, 24:1, II Chron. 35:5-6) The fifth prime number.

12-- the number for God's (three) witness to the world (four) [3x4=12] Twelve tribes of Israel--Israel is still a witness to the work of God and His great love for all of mankind. There were twelve apostles. Also the number of governmental perfection.

13--[a prime number] the number for rebellion, corruption, and apostasy The numbers 8 and 13 are often used in opposition. The numerical values of the names in the line of Seth (Adam to Japheth = 3168 which is 8 x 396) {Jesus came through the line of Seth.} The numerical values of the names in the line of Cain (Adam to Tubal Cain = 2223 which is 13 x 9 x 19. The sixth {2 x 3} prime number.

17-- [a prime number] the sum of 7 and 10 it is also the seventh prime number. See the numbers 7, and 10 above. In Rom. 8:35-39 there are 17 things listed which cannot separate us from the love of Christ.

19-- [a prime number] the eighth $\{2^3\}$ prime number. The sum of 9 and 10. See notes on 7, 9 and 10 above. The number for judgment on a nation! 19 years after Nebuchadnezzar captured Jerusalem and carried away the first set of hostages {see Daniel chapter 1, Nebuchadnezzar sent his general to completely destroy Jerusalem, tear down its walls, and destroy Solomon's temple due to Zedekiah's rebellion. {Covid-19?} [After Cyrus decree to restore Jerusalem, it would be 19 years before the second temple would be completed!]

23-- the ninth prime number

24-- number of elders mentioned in Rev. 4 (6x4=24 and 12x2=24) { $2^3 \times 3$ }These elders probably are representatives of God's people from all the world (from all nations) Note also 12 tribes of Israel and 12 apostles (The Church)-- God's two witnesses to the present world.

29-- tenth $\{2 \times 5\}$ prime number

31-- eleventh prime number

37-- [a prime number] the twelfth $\{2^2 \times 3\}$ prime number. I am not presently aware of its significance except that it appears in both the numbers 666 and 888. See the number 12 above.

40— $\{2^3 \ge 5\}$ cleansing, perfecting, testing (ten) of the world (four). It rained 40 days and 40 nights during the Great Flood to cleanse the earth. Moses, Elijah, and Jesus each spent times of 40 days in the mountains for testing and cleansing. Israel spent 40 years in the wilderness to cleanse her from the rebels against God.

51-- {3x17} number of Divine revelation (24 books of the Old Testament + 27 books of the New Testament)[Note: the double books: I & II Samuel, I & II Kings, I & II Chronicles are taken as single books in the Hebrew Old Testament. The 12 "minor" prophets made up a single book. Ezra and Nehemiah made up a single book. -- Thus there were <u>24</u> books in the original Hebrew Old Testament.]

84-- number of generations to complete (seven) God's (three) witness to the world (four) [7x3x4=84 and 7x12=84] 3x7 generations from Adam to Abraham (See Luke 3) 6x7 generations from Abraham to Christ (See Matt. 1) 3x7 generations from Christ to this present generation (See Gen. 15:13-16 -- one generation= 100 years) Also: 3x7 generations of witness by individuals 6x7 generations of witness through Israel 3x7 generations of witness through the Church Plus note that this last generation includes both a witness through Israel and the Church, a further confirmation to the required number of witnesses given in the Law of Moses.

153-- { $3^2 \times 17$ } The number of fish caught in the apostles' net (John 21:11) The Hebrew expression 'Sons of God ' (Gen. 6:2) (בני־האלהים) occurs 7 times {one slightly different Beni El-Hai 'Sons of the living God'} and the first expression totals 153. The sum of the numbers from 1 to 17 totals <u>153</u>.

Is. 48:17 "I am the Lord Thy God" {אני יהוה אלהיך} → 153

The phrase 'joint heirs' in Greek (συγκληρονομοι) (Rom. 8:17) totals 1071 which is 7 x153. The phrase "creation of God" (κτίσις θεου) in Greek [Rev 3:14] totals <u>1224</u> which is <u>8 x 153</u>.

 $\{2^3 \text{ x } 3^2 \text{ x } 17\}$ "fishes" in Greek (iχθύες) totals <u>1224</u>; "the net" (τό δίκτυον) totals <u>1224</u>. **666**- man claiming to be God (three- sixes)--man in his most powerful form and majesty-without God. The number for the Anti-Christ. (Rev. 13:18; Dan. 11:36; II Thes. 2:4) The number 666 occurs exactly four times in the Bible- three in the Old Testament (I Kings 10:14, II Chr. 9:13, and Ezra 2:13) and once in the New Testament (Rev.13:18) In both Ezra and the Revelation the number is associated with a name! Much debate has arisen through the years concerning the number in the Revelation, but the number in the Old Testament is explicit-- it is associated with the name- Adonikam {ארניקם} (translated it means "The lord of the enemy" or "Come My Lord" depending on how vowels are added to the Hebrew consonants) Three descendants of Adonikam are mentioned by name: Eliphelet {אריפלט}(my God delivers), Jeuel { יעיאל} (God carries away), and Shemaiah { שמעיה] (she [Israel?] listened) { Ezra 8:13 } It is also interesting to note that in Ezra the number is in reference to a family returning from exile in Babylon and in the Revelation to a state of the state

it is in reference to a ranny retaining non-exite in Babyion and in the revention it is in reference to one who will cause Israel to once again go into exile. The sum of the numbers from 1 to 36 (36 is 6^2) = 666 {2x3x3x37 or 2x3²x37}

888- the number for our Lord. Three- eights. { 2^3x3x37 } See the number 3, 8, and 37 above. Jesus is the perfect witness. See the number <u>eight</u> above.

The number 666 is also the sum of all numbers which make up the square of 6 (36)! I.E. 1+2+3+4+5...+36=666

These numbers can also be arranged in a square such that the sum of the six figures in any direction totals 111. 111 is 3x37. 37 is the 12th prime number.

Interesting Biblical Number Facts - Page 5 [Not A Jot Or A Tittle page 33]

666 is also the sum of the Roman Numerals:

D=500 C=100 L=50 X=10 V=5 I=1

The first pair total 600, the second pair totals 60, and the third pair totals 6.

*Note the use of M for 1000 according to Bullinger may have actually been two D's put together!

The use of the number <u>1</u> is also important for <u>first</u> occurrences:

The first use of "Hallelujah" in the Old Testament is in Ps. 94:35:

"Let the sinners be consumed out of the earth, And let the wicked

be no more. Bless thou the Lord, O my soul, Hallelujah."

The first use of "Hallelujah" in the New Testament is in Rev. 19:1-3 "I heard a great voice of much people in heaven, saying Alleluia; salvation, and glory, and honour, and power unto the Lord our God; for true and righteous are His judgments; for He hath judged the great whore, which did corrupt the earth with her fornication, and hath avenged the blood of His servants at her hand, and again they said Alleluia."

Notice that in both cases this word of praise is associated with judgment of the ungodly.

The first occurrence of the word HOLY, is in Exodus 3:5 -- Not in the book of Genesis which is the book of beginnings, but in the Exodus which is the book of redemption! As Bullinger says: "The <u>creature</u> cannot understand anything about <u>holiness</u> except on the ground of <u>redemption</u>."

The first question in the Bible is from God: "Where art thou?" Gen. 3:9

The first question in the New Testament is: "Where is He that is born?" Matt. 2:2

Although I had researched numbers in Scripture long before I heard about Bro. Bullinger, much of the material in this paper is taken directly from his work which is far more extensive than I have had time to investigate. Space and time prohibit my continuing this study further. The lists go on and on and on. No human, even with the most sophisticated computers could have so eloquently stamped the numerical signature of God throughout the entire Bible. The point of all this is simple: The Creator of the universe is one and the same as the Author of Scripture. The more carefully and exactly we study God's word, the more absolute proof we have that only He could have put it all together. Hopefully, these facts will present you with a new sense of respect for Jesus' words: "Not a jot or tittle (literally, not even the dot of an i) will pass away until all is fulfilled."

The same laws of numbers apply to plants as well. The number of leaves on various plants before one leaf is exactly lined up with one below it is always the same:

In the apple it is always the fifth leaf
In the oak it is always the fourth leaf
In the peach it is the sixth
In the holly it is the eighth; but it takes two turns of the spiral before the leaf stands immediately over the first.
In the bee multiples of 3 are seen:
In three days the queen is hatched
It is fed for 9 (3²) days
It reaches maturity in 15 (3x5) days

The drone matures in 24 (8x3) days The bee is composed of 3 sections The two eyes are composed of about 3000 small eyes, each (like the cells of the comb) having six sides. Underneath the body are 6 wax scales with which the comb is made. It has 6 legs, each composed of 3 sections The foot is formed of three triangular sections The antennae consist of 9 sections The stinger has 9 barbs on each side

[B-4] Numerical Values of Hebrew & Greek Letters

The following is from E.W. Bullinger's book: <u>Number in Scripture</u>. The Hebrew alphabet consists of 22 (2x11) letters with 5 "finals" added to make up three series of 9; 27 in all:

🗙 Aleph =	1	•Yod =	10	7 Koph = 1	L00
] Beth =	2	⊃Kaph =	20	¬ Resh = 2	200
l Gimel =	3	> Lamed =	30	2 Shin =	300
7 Daleth =	4	ħ Mem =	40	n Tau =	400
7 He =	5	Nun =	50	<pre>TKoph{final}=</pre>	500

π Cheth =	8	DPe =	80	<pre>Pe {final} =</pre>	800

{{Recent computer analysis <u>suggests</u> that the finals were not used in counting in scripture. 10/27/23. See <u>LivingGreekNT.org</u> }}

The Greek letters were 24 so the required number -- 27 was made up by using the final " ς " call Stigma for 6, and adding two arbitrary symbols called Koppa **c** for 90, and Sampsi **3** for 900. {Note: the Koppa and Sampsi are not exactly replicated here due to the lack of a font that contains them.} [I now have added the capital letters which more people are familiar with.]

α A Alpha = 1	ι Ι Iota = 10	ρ Ρ Rho = 100

Numerical Values of Hebrew and Greek Letters - Page 1 [Not A Jot Or A Tittle page 43]

{{The <u>Sampsi</u> is not a part of the Greek alphabet but was made up to complete the sequence of numbers. Like the finals of Hebrew, computer analysis suggests that it was not actually used in counting in scripture.}}

"The letter ς (called Stigma) is used for the number 6. Why this letter and number should be thus associated we cannot tell, except that both are intimately connected with the ancient Egyptian "mysteries." The three letters S S S ($\Sigma\Sigma\Sigma$ in Greek) were the symbol of Isis, which is thus connected with 666. Indeed the expression of this number, $\chi\xi\varsigma$, consists of the initial and final letters of the word $\chi\rho i\sigma\tau o\varsigma$ (Cristos), Christ, viz, χ and ς , with the symbol of the serpent between them, χ - ξ - ς ." [B-5] Equidistant Letter Sequences [ELS] {Signature of God #2}

[[Special note on ELS -- ELS works ONLY with the Masoretic Hebrew Text and the Greek Received Text which the King James Version of the Bible is based on. Much of it does not work with the modified Biblia Hebraica Hebrew text that most modern Bible translations including the NIV, NASB, NKJV, HCSB, CEV and countless others are based on. See the section entitled. Holy Bible vs New Age Bibles]]

Wednesday, March 26, 1997 I went to the Waco Richland Mall with my wife and daughter. After sitting down on a bench for several minutes, Susie {my wife} motioned to me. I was not sure what she wanted, so I went into the Family Christian Bookstore where she was to see what she wanted. She was looking for our daughter Connie, but just as I came into the store she spotted her. After entering the store I began to feel that there was something in the store the Lord wanted me to see, so I began looking around. Suddenly, I spotted the book entitled: <u>The</u> <u>Signature of God</u>, by Grant Jeffrey. The book caught my eye, because the name of the book is a subtitle I had used for many years in my notes on <u>The Use of Numbers in Scripture</u> in my Revelation study series.

As I looked at the title of Mr. Jeffrey's book I thought, "I already know what the 'Signature of God' is-- it is how God uses numbers and mathematics in the scriptures from Genesis to the Revelation in ways that no human could have master-minded." I was curious to find out what this person "thought" was the "signature of God." As I began to read the book I learned what I consider to be the best mathematical proof to date about the accuracy and authorship of the Bible. I soon remembered that Grant Jeffrey was the author of another book I had read earlier titled: <u>Armageddon-Appointment With Destiny</u>. The following notes have mostly been taken from Grant Jeffrey's book <u>The Signature of God</u>.

The basic idea behind **Equidistant Letter Sequences** [ELS] {also known as **Bible Code**} is this: Take important words such as TORAH { $\pi\pi\pi\pi$ } [Torah which means the "Law" refers to the first 5 books of the Bible - Genesis, Exodus, Leviticus, Numbers, and Deuteronomy], locate the first letter of the word, search sequentially in the Hebrew text until you arrive at the second letter of the word, count the number of letters from the first letter to the second letter, add this number to the second letter and see if the letter there corresponds to the third letter, if it does, add the same number of letters to the third letter and see if it corresponds to the fourth letter. With 22 letters in the Hebrew alphabet, the probability of the third letter being the correct letter would be 1 out of 22 x 22 { 22^2 or 1 out of 484}, the probability of the fifth also being correct would be 1 out of 22 x 22 { 22^3 or 1 out of 10,648}, etc. Obviously the probability of actually spelling out a long word or phrase would be extremely small. Although a person might expect a couple of occurrences of a particular short word in a manuscript as long as the Bible,

the vast number of such occurrences recently discovered in the Hebrew Bible by teams of computer scientists and mathematicians using super computers at Jerusalem's Hebrew University and the Jerusalem College of Technology is so overwhelming only those who have a completely rejected God and closed their minds could brush aside this evidence for the Authorship of the scriptures. {These studies have now been duplicated and confirmed independently by researchers at Harvard and Yale!} I have personally duplicated a number of these myself with a computer program. See also: **Examples of ELS Bible Code.**

The following is a quote from Grant Jeffrey's book, <u>The Signature of God</u>, p. 227:

"Rabbi Michael Dov Weissmandl was a brilliant Czechoslovakian Jewish scholar in astronomy, mathematics, and Judaic studies. In the years before World War I, he found an obscure but intriguing reference to the Bible Codes in a rare book written by a fourteenth-century rabbi known as Rabbeynu Bachayah. The book described a curious pattern of letters encoded within the Torah by skipping an equal number of letters. This discovery inspired Rabbi Weissmandl to begin exploring to see if he could detect other examples of similar codes hidden within the Torah. During the following years, Weissmandl found that he could locate certain meaningful and related words or phrases, such as "hammer" and "anvil", if he examined the letters at sequences that were equally spaced in the Hebrew text. In other words, if he found the first letter of a significant word such as 'Torah,' and then, by skipping forward seven letters he found the second letter of the same word, he would continue to skip forward <u>the same number of letters</u> to see whether or not the complete word 'Torah' was spelled out in the text <u>at equally spaced intervals</u>. Rabbi Weissmandl' described this unusual phenomenon as 'equidistant letter sequences' [ELS]."

The rabbi was astonished to find that an incredible number of significant words were hidden in code within the text of the Torah at equally spaced intervals." Rabbi Weissmandl left no written records of his discoveries, but many of his students spread his work which ultimately reached the mathematicians and scientists in Jerusalem.

The Torah was completed by Moses sometime just before his death {2552 A.H. around 1496 B.C.} The Hebrew Old Testament was accepted as canon around 300 B.C. and has been unchanged since that time. The Greek New Testament was accepted as canon around 300 A.D. and has remained unchanged since that time.

In 1988 a team of Jewish computer scientists and mathematicians put a computer program together to search for encoded words in the Hebrew text of the Old Testament. Their first test was to search for word pairs such as: hammer and anvil, tree and leaf, man and woman, etc. They searched for 300 word pairs and to their amazement found every pair encoded in the Hebrew text! Their work was published in a paper called: **Equidistant Letter Sequences in the Book of Genesis**, in the Journal of Royal Statistical Society. Since that time multitudes of other discoveries have been made.

The following is merely a small sample of what has now been discovered. For more information see the references at the end of this section.

In <u>Genesis 1:1</u>, beginning with the first occurrence of the Hebrew letter tav $\{n\}$, counting 49 letters the second letter of 'Torah' appears, counting 49 more letters the third letter appears, counting 49 more letters the fourth letter appears-- Torah $\{n, n\}$ is spelled out using every 50th letter of the text.

The Hebrew word for Israel $\{ \texttt{WF} \}$ is spelled out in the opening passage of Genesis by skipping every seven letters and once again by skipping every fifty letters with a short passage of only five verses [Genesis 1:30-2:3] Grant Jeffery notes that these verses where Israel is encoded are known as the *Kiddush* and are recited by Jews around the world every Sabbath.

Beginning with <u>Exodus 1:1</u>, Torah is spelled out the same way; every 50th letter beginning with the first appearance of the Hebrew letter tav $\{\mathfrak{I}\}$.

<u>Leviticus</u> does not have 'Torah' encoded, but has Jehovah {God's name} {ההה} spelled out beginning with the first appearance of the Hebrew letter yod $\{^{\circ}\}$ and counting forward every 8th 3

letter {Note: the number 8 [2] is God's number -- see Use of Numbers In Scripture.

Numbers and Deuteronomy both have 'Torah' encoded in the initial verses of the books, but in Numbers 'Torah' is spelled out in reverse order using 50 letter intervals. In Deuteronomy, 'Torah' is also spelled out in reverse order at 49 letter intervals beginning in the 5th verse. In Genesis 2 which deals with the garden of Eden, there are 25 different modern Hebrew names for trees encoded.

Other series:

In Genesis 38 which describes the birth of Pharez to Tamar by Judah {an ancestor to King David} has encoded within it the <u>five descendants from Judah to King David in the correct</u> <u>chronological order</u>! {Nearly 500 years before David's birth!}

'Zedekiah' the last king of Judah and 'Matanya' his original name are encoded in Genesis. {Nearly 1000 years before Zedekiah's reign!}

'Hanukkah' which refers to the festival of lights commemorating the rededication of the temple after the Maccabee's recaptured it around 165 B.C. from Antiochus IV Epiphanes was found encoded in sequence with 'Hasmoneans' the famous name of the family of warriors led by Judas Maccabee are encoded in Genesis. {Nearly 1300 years before the Maccabees!}

'The name of the late Egyptian President Anwar Sadat's occurred together with the name of the leader of the Moslem Brotherhood assassination team that killed him. The same code sequence also contained the year of his assassination, 1981, and the {modern

Hebrew} words for 'president,' 'gunfire,' 'shot,' and 'murder.' Incredibly, even the {modern Hebrew} word for 'parade' appears in this coded sequence. President Sadat was assassinated during the president's review of a military parade in 1981.' {P. 209 -- The Signature of God} {These were encoded in the Torah about 3400 years before the event!}

In Deuteronomy 10:17-22 the word 'Hitler' {הימלר} is spelled out at a 22 letter interval beginning

with the 9th occurrence of the Hebrew letter heth $\{\pi\}$. Beginning with the next to last appearance of the Hebrew letter beth $\{\Box\}$ in this passage, researchers counted backwards every 13th letter and discovered the phrase "b'yam mara Auschwitz" which means, "in the bitter sea of Auschwitz."

"Auschwitz"[ארשריץ], "Belsen", "Hitler" (הישלר), and "Berlin" are all clustered encoded in this Deuteronomy passage.

Scientists also discovered in Deuteronomy 33:16 beginning with the Hebrew letter mem {**D**} and

counting every 246th letter spelled out the phrase "Melek Natzim" [מלך נאצים] which means "King of the Nazis"

In Genesis 39 to 41 "Mapecha HaSarfatit" which spells "the French Revolution" in Hebrew, "Louis", the name of the French king, the "house of Bourbon," "Hamarseilles" the name of the French national anthem, and "Bastillia" the infamous French prison for political prisoners are all encoded -- interestingly these chapters describe Joseph's imprisonment in Egypt.

The team of scientists from the Jerusalem schools selected 34 names of Jewish rabbis and sages who lived from around 900 A.D. to 1900 A.D. found in the "Encyclopedia of Great Men in Israel" based on the longest biographies and tested the Torah to see if any of their names could be found. They found that not only did their names appear, but their names even appeared together with either their year of birth, or their year of death in the same encoded sequences. When the results of this study was submitted to Statistical Science Journal for publication, the editor demanded that the staff of the journal be allowed to randomly select 32 more names from the same encyclopedia and submit those names for testing. To their astonishment these additional 32 names together with either the year of their birth or the year of their death were also found encoded in the Torah bringing a total of 64 known modern day men whose names have already been found in the Torah.

In the first chapter of Leviticus, Aaron's {אהרן} name is encoded **25 times** not counting the 4 times in appears in the normal surface text. {Aaron, Moses' older brother, was Israel's first high priest.}

Yacov Rambsel, a Jewish student, whose book: <u>Yeshua - The Hebrew Factor</u>, has discovered references to the name of Jesus throughout the Old Testament. The following is only a small sample:

Beginning in the first verse of Genesis beginning with the 5th letter [5 is the number for grace in the Bible -- see <u>Use of Numbers In Scripture</u>], yod {[•]}, counting every 521st letter the words 'Yeshua Yakhol' appears which means "Jesus is able."

In Isaiah 53:10 which prophesies the grief of our Lord and His sacrifice for our sins -- beginning with the second yod {?} in the eleventh word { אריך} and counting every 20th letter left to right appears the phrase "Yeshua Shmi" { אריך שמי? } which means "Jesus is My Name"

In Genesis 3:20-21 beginning with the last letter heth $\{\pi\}$ in verse 20 and counting every 9th letter appears the name "Yoshiah" $\{\forall \psi \forall \psi \forall \tau\}$ which means "He will save" -- a Hebrew equivalent name for Yeshua - Jesus. Remember Matthew 1:21 "thou shalt call His name Jesus: for He shall save His people from their sins."

In Zechariah 11:12 which prophecies the price Jesus would be betrayed for -- 30 pieces of silver, beginning with the letter yod {*}, counting every 24th letter spells out the name 'Yeshua.'

In Zechariah 12:10 beginning with the letter cheth $\{\Pi\}$ found in the phrase "an only son" -- the Hebrew word for "Messiah" is encoded counting every 38th letter.

In Leviticus 21:10-12 beginning with the first heth {ה} and counting every 3rd letter is spelled out "han dam Yeshua" [הן דמ ישוע] which means "Behold, the blood of Jesus."

In Psalm 41:7-10 which prophecies the plot against Jesus, beginning with the first yod {*} in verse 8 contained in the phrase 'they plot evil' counting every 2nd letter spells out the name 'Yeshua.'

The book of Ruth beginning in Ruth 1:1 and the fourth yod {*}, every 5th letter spells out 'Yeshua.' Jesus is a direct descendant of Ruth {Matthew 1}.

Isaiah 61:12 beginning with the yod in the phrase 'spirit of the Lord God' counting every 9 letters spells out the name Oshiya which means "I will save" and is a variation of Yeshua.

In Daniel 9:26 beginning with the letter yod {[•]} in the phrase "the city," counting every 26th letter backwards spells out the name Yeshua.

"The Israeli scientists wrote a follow-up paper for submission to Statistical Science, a scientific journal that insisted that a group of opposing scholars review and challenge their data and examine their computer program before publication. Despite the fact that all of the reviewers held previous beliefs against the inspiration of the Scriptures, the overwhelming evidence and the integrity of the data forced the editors to approve the study's scientific accuracy and reluctantly publish the article. Robert Kaas, the editor of

Statistical Science, wrote this comment about the study: "Our referees were baffled: their prior beliefs made them think the Book of Genesis could not possibly contain meaningful references to modern day individuals, yet when the authors carried out additional analyses and checks the effect persisted." {The Signature of God P. 212}

"Scientists who have studied these results state no human could create such a Hebrew document containing hundreds of encoded, significant words hidden within this text. They concluded that it would be impossible to reproduce this phenomenon in Hebrew {or any other language} text even if they had the help of a group of brilliant language geniuses, or the assistance of the world's most sophisticated super-computers." {The Signature of God P. 213}

In an attempt to suggest that all of these "coincidences" could occur in other religious Hebrew texts scientists selected the Samaritan Pentateuch which differs in only small textual changes from the Hebrew Bible and after much testing concluded that none of the word pairs found in the Hebrew Bible appeared. In another attempt, a Hebrew translation of Tolstoy's "War and Peace" which is about the same length as Genesis was used, but no hidden codes were found. The same tests were run on the Hebrew apocryphal books written during the 400 years prior to Jesus' birth, but again, no such encoded words were found. {The Signature of God P. 215}

Professor Harold Gans, a brilliant mathematician who examined sophisticated foreign government intelligence codes for the U.S. and has published over 180 technical papers, doubted the research conducted in Jerusalem. Dr. Gans wrote his own complex computer program to examine the Hebrew text. After running his program for 19 straight days and nights to test the codes he concluded the codes were real, and today he teaches classes in synagogues throughout the world. {The Signature of God P. 217}

In these last days, the Lord has removed the knowledge of His Word from the liberal theologians and has turned it over to the scientists, mathematicians, and computer programmers who understand the difference between facts, empirical evidence, and true logic and -- the vain philosophies of men. Our faith is not built on "blind" faith, but on faith in the Author of all truth; the Creator of the "laws" of science and the "laws" of mathematics. Anyone who can recognize Hebrew and Greek letters and can count can verify everything presented in these notes dealing with the use of numbers in Scripture.

The following listing of codes comes from the book <u>His Name Is Jesus</u>, By Yacov Rambsel {Hebrew is read from right to left-- negative skip means the letters are read in reverse order.}

Notice Mary's name appears three times – there were three Mary's!

Notice that James' name appears **twice** – there were two James who were disciples!

Note that Jesus and His disciples are all named in Isaiah 52-53 with one notable exception--Judas. Matthias is named by name only one time in the Bible, and that is in Acts chapter one where he was chosen to take Judas' place! This is the same passage which tells us "He was wounded for our transgressions" and "By His stripes we are healed!"

There is no other literature in existence which contains hidden codes in the manner given here. Numerous Hebrew texts including a Hebrew version of <u>War and Peace</u> [which contains about the same volume of material as the book of Genesis] have been tested with no codes being found. The above lists which are only a small sampling of the discoveries which have been made demonstrate the uniqueness of the scriptures, an orderliness, and an all-knowing plan of human existence which cannot be explained away. The possibility of these codes appearing anywhere by pure chance is mathematically impossible.

Equidistant Letter Sequences - Page 8 [Not A Jot Or A Tittle page 52]

The fact that the Bible Codes even exist is important, but what is even more fascinating is <u>where</u> they are located. When looking at the ELS codes it is always significant <u>where</u> the codes are located. It is for that reason in my <u>Examples of ELS Bible Code</u>. I have provided interlinear translation of the Hebrew text. Grant Jeffrey points out that nearly all, if not all, passages prophesying the coming Messiah contain the name of Jesus encoded within them. While I have not personally had the time to check out every occurrence, the ones I have checked out are in agreement with his point!!!

Obviously, arguing over the accuracy or inerrancy of Scripture is pure foolishness when the FACTS are examined in a scientific and intelligent manner. However, the most important question of all is not whether you know about the Scriptures, nor even whether you believe the Scriptures, but whether you know and have a saving relationship with their Author.

WARNING: There is a growing trend among Bible code students to attempt to predict future events based on codes found in the Bible. Such attempts are akin to astrology which is strictly forbidden in Scripture. While it is ABSOLUTELY TRUE that the codes demonstrate God's foreknowledge of all things, and the **FACT** that He is the **AUTHOR** of the Bible, using the codes to predict future events is a tool used by Satan to discredit God's word when such HUMAN predictions fail. A good example are codes found in Genesis chapter 18 discussed in Grant Jeffrey's book The Signature of God [pages 239-240] relating to Anwar Sadat's assassination by members of the Muslem Brotherhood in a military parade in 1981. The words: gunfire, shot, murder, Sadat, Chaled Islambooli {leader of the Muslem Brotherhood}, 1981, military, and even the modern word for parade are all encoded in Genesis chapter 18 {which in the text talks about God and Abraham discussing judgment coming on Sodom and Gomorrah}. A person studying the codes **BEFORE** the event actually happened may have just as easily predicted that Anwar Sadat was going to murder Chaled and have a military parade in 1981 to celebrate the event! It is NOT our job to try to figure out what God is up to! It is our job to trust God to lead us in the way He wants us to go even though we ourselves do not know what lies ahead.

The above ELS [Bible Codes] were chosen due to their short word lengths and small skip rates for illustration purposes. Codes with much larger skip rates and much longer words and phrases are found throughout not only the Hebrew Old Testament {unmodified Masoretic text}, but now discoveries are also being found in the Greek New Testament {unmodified Received text} which could not be found easily without the aid of modern computers. Thousands of Bible Codes have now been discovered by a multitude of people using programs which are now available for purchase on the internet and various places. A short list of books on the subject is found in my article: <u>Equidistant Letter Sequences [ELS] {Signature of God #2}</u>. On my website I have links to other websites which have even more Bible Codes. **Note: it's not just that the Bible codes exist that is important, but WHERE the codes are found is ALWAYS important.** That's why the context of the verses is given here.

b-resheth – literally "in beginning <u>NOT</u> "in <u>the</u> beginning" – with God there is no beginning!

The "eem" on the end of <u>God</u> and <u>heavens</u> means plural {<u>three</u> or more}. The word for God is plural, but takes singular modifiers! The word "<u>bara</u>" for <u>create</u> is used <u>only</u> of God – man cannot create anything!

Note: in the middle is المعرة (Aleph and Tav) which consists of the <mark>first letter</mark> and the <mark>last letters</mark> of the <mark>letters</mark> of the <mark>letters</mark> of the <mark>letters</mark> of the Hebrew alphabet. {Alpha and Omega are the first and last letters of the Greek alphabet. The following notes are in **Equidistant Letter Sequences** {Signature of God #2} [Hebrew Code] at <u>www.TheWordNotes.com</u> and are from Grant Jeffrey's book **Signature of God**.

In Genesis 1:1, beginning with the first occurrence of the Hebrew letter tav $\{n\}$, counting <u>49 letters</u> the second letter of '<u>Torah</u>' appears, counting 49 more letters the third letter appears, counting 49 more letters the fourth letter appears-- Torah $\{n, n\}$ is spelled out using every 50th letter of the text. [The Torah is the first 5 books of the old testament, which is also referred to as the Pentateuch.]

The Hebrew word for Israel {ישראל} is spelled out in the opening passage of Genesis by skipping every seven letters and once again by skipping every fifty letters with a short passage of only five verses [Genesis 1:30-2:3] Grant Jeffery notes that these verses where Israel is encoded are known as the *Kiddush* and are recited by Jews around the world every Sabbath.

Beginning with **Exodus 1:1**, Torah is spelled out the same way; every <u>50th letter</u> beginning with the first appearance of the Hebrew letter tav {**n**}.

Genesis 1:1 – Page 1 [Not A Jot Or A Tittle page 65]

Leviticus does not have 'Torah' encoded, but has Jehovah {God's name} {הוה} spelled out beginning with the first appearance of the Hebrew letter yod {'} and counting forward every 8th letter {Note: the number 8 [2³] is Jesus' number -- see Use of Numbers In Scripture at www.TheWordNotes.com

Numbers and Deuteronomy both have 'Torah' encoded in the initial verses of the books, but in <u>Numbers</u> '<u>Torah</u>' is spelled out in <u>reverse order</u> using <u>50 letter</u> <u>intervals</u>. In <u>Deuteronomy</u>, 'Torah' is also spelled out in <u>reverse order</u> at <u>49</u> <u>letter</u> intervals beginning in the 5th verse. See <u>Examples of ELS [Bible Codes] Matrix</u>.

 (6) And God spake on this wise, That his seed should sojourn in a strange land; and that they should bring them into bondage, and entreat <i>them</i> evil four hundred years.  (14) Then sent Joseph, and called his father Jacob to him, and all his kindred, threescore and fifteen souls. (15) So Jacob went down into Egypt, and died, he, and our fathers, (16) And were carried over into Sychem, and laid in the sepulchre that Abraham bought for a sum of money of the sons of Emmor <i>the father</i> of Sychem. (17) But when the time of the promise drew nigh, which God had sworn to Abraham, the people grew and multiplied in Egypt, (18) Till another king arose, which knew not Joseph. (19) The same dealt subtilly with our kindred, and evil entreated our fathers, so that they cast out their young children, to the end they might not live. (20) In which time Moses was born, and was exceeding fair, and nourished up in his father's house three months: (21) And when he was cast out, Pharaoh's daughter took him up, and nourished him for her own son. (22) And Moses was learned in all the wisdom of the Egyptians, and was mighty in words and in deeds. (23) And when he was full forty years old, it came into his heart to visit his brethren the children of Israel. (24) And seeing one of them suffer wrong, he defended him, and avenged him that was oppressed, and smote the Egyptian: 	 (14) Then Joseph sent, and called his father Jacob to him, and all his kindred, seventy-five souls.i (15) So Jacob went down into Egypt, and died, he, and our forefathers, (16) And were carried over into Sychem, and laid in the tomb that Abraham bought for a sum of money from the sons of Emmor the father of Sychem.^j (17) But when the time of the promise drew near, which God had sworn to Abraham, the people grew and multiplied in Egypt, (18) Until another king arose, who did not know Joseph.^k (19) The same dealt subtly with our kindred, and treated our forefathers evilly, so that they cast out their young children, intending to kill them.  (18) For if I build again the things which I destroyed, I make myself a transgressor. (19) For I through the law am dead to the law, that I might live unto God. (20) I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me. (21) I do not frustrate the grace of God: for if righteousness <i>come</i> by the law, then Christ is dead in vain. Chapter 3 (1) O foolish Galatians, who hath bewitched you, that ye should not obey the truth, before whose eyes Jesus Christ hath been evidently set forth, crucified among you? (2) This only would I learn of you, Received ye the Spirit by the works of the law, or by the hearing of faith? (3) Are ye so foolish? having begun in the Spirit, are ye now made perfect by the flesh? (4) Have ye suffered so many things in vain? if <i>it be</i> yet in vain. (5) He therefore that ministereth to you the Spirit, and worketh miracles among you, <i>doeth he it</i> by the works of the law, or by the hearing of faith? (6) Even as Abraham believed God, and it was accounted to him for righteousness. (7) Know ye therefore that they which are of faith, the same are the children of Abraham. {48} Gal	atians
King James Version	King James Paraphrase
 (8) And the scripture, foreseeing that God would justify the heathen through faith, preached before the gospel unto Abraham, saying, In thee shall all nations be blessed. (9) So then they which be of faith are blessed with faithful Abraham. (10) For as many as are of the works of the law are under the curse: for it is written, Cursed <i>is</i> every one that continueth not in all things which are written in the book of the law to do them. (11) But that no man is justified by the law in the sight of God, <i>it is</i> evident: for, The just shall live by faith. (12) And the law is not of faith: but, The man that doeth them shall live in them. (13) Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed <i>is</i> every one that hangeth on a tree: (14) That the blessing of Abraham might come on the Gentiles through Jesus Christ; that we might receive the promise of the Spirit through faith. (15) Brethren, I speak after the manner of men; Though <i>it be</i> but a man's covenant, yet <i>if it be</i> confirmed, no man disannulleth, or addeth thereto. (16) Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many; but as of one, And to thy seed, which is Christ. 	 (8) And the scripture, foreseeing that God would justify the heathen {ungody} through faith, preached before the gospel to Abraham, saying, In you shall all nations be blessed^a. {48} Galatians		
King James Version	King James Paraphrase	
 (17) And this I say, that the covenant, that was confirmed before of God in Christ, the law, which was four hundred and thirty years after, cannot disannul, that it should make the promise of none effect. (18) For if the inheritance be of the law, it is no more of promise: but God gave it to Abraham by promise. (19) Wherefore then serveth the law? It was added because of transgressions, till the seed should come to whom the promise was made; and it was ordained by angels in the hand of a mediator. (20) Now a mediator is not a mediator of one, but God is one. (21) Is the law then against the promises of God? God forbid: for if there had been a law given which could have given life, verily righteousness should have been by the law. (22) But the scripture hath concluded all under sin, that the promise by faith of Jesus Christ might be given to them that believe. (23) But before faith came, we were kept under the law, shut up unto the faith which should afterwards be revealed. (24) Wherefore the law was our schoolmaster to bring us unto Christ, that we might be justified by faith. (25) But after that faith is come, we are no longer under a schoolmaster. 	 (17) And this I say, that the covenant, that was confirmed before by God in Christ, the law, which came four hundred and thirty years later,^f cannot void the promise, that it should make the promise of no effect. (18) Because if the inheritance is by the law, it is no more by promise: but God gave it to Abraham by promise. (19) Therefore then what purpose does the law serve? It was added because of sins, until the Descendant should come to Whom the promise was made; and it was ordained by angels in the hand of a mediator. (20) Now a mediator is not a mediator of one, but God is one. (21) Is the law then against the promises of God? God forbid: because if there had been a law given which could have given life, truly righteousness would have been by the law. (22) But the scripture has concluded that all are under sin, that the promise by faith of Jesus Christ might be given to those who believe. (23) But before faith came, we were kept under the law, shut up to the faith which would afterwards be revealed. (24) Therefore the law was our schoolmaster to bring us to Christ, that we might be justified by faith. (25) But after that faith has come, we are no longer under a schoolmaster. 	
 3:17f - The Law was given on Mount Sinai 430 years after the promise was given to Abraham who was 75 years old at the time. Abraham lived to be 175 years old [Gen. 25:7] The Israelites came out of Egypt 430 years to the very day from the day the promise was given to Abraham. [Ex. 12:41] The promise given to Abraham 1/14/2083 A.H. The Jews came out of Egypt 1/14/2513 A.H. See <u>Appendix G: World Time Line of Biblical History</u> Note: this proves conclusively that the Jews were not slaves 400 years as so many misquote scripture. Every Jew knows this is true, but many Christians who do not understand King James English don't and many modern translations totally corrupt the scripture See notes on Genesis 12:1-4; 15:13; 50:26.

[D-5] How Long Was Israel in Egypt?

Chronology according to Jewish tradition {from <u>The Comprehensive Hebrew Calendar</u>, by Arthur Spier, Feldheim Publishers, Jerusalem/New York, 1981, page 21}

Year {A.H Anno Hominis – "Year of Man"}		
1	Adam	
1057	Noah	1056 years from the creation of man to Noah
1949	Abraham	892 years from Noah to Abraham *
2049	Isaac	100 years from Abraham to Isaac
2239	Entrance	190 years from Isaac to the Entrance to Egypt
	into Egypt	
2449	The Exodus	210 years from Egypt to Exodus**

The above chronology demonstrates that the Jews know and understand that Israel was only in Egypt a little over 200 years. This chronology has two errors in it because the Jews do not accept the New Testament which we will discuss in these notes. The first error is dating the birth of Abraham at 1949 A.H. {Anno Hominis – "Year of Man" counted from creation of Adam}- which was actually 2008 A.H. This error comes from the assumption that Abraham was born when Terah was <u>70 years</u> old and is based on Gen 11:26. Abraham is named first in Gen. 11:26 because of his importance {a similar listing is in Gen. 5:32 with Shem, Ham, and Japheth where Shem is listed first even though the scriptures plainly tell us that Japheth was the oldest Gen.10:2, 21}, [the genealogy in Genesis chapter 10 demonstrates that Shem was in fact the youngest.] but Abraham wasn't born until Terah was <u>130</u> years old. We know this because Stephen in <u>Acts 7:4</u> tells us that Abraham left Haran <u>after his father Terah's death</u> and <u>Terah was 205</u> {205 - 75 = 130} when he died and <u>Abraham was 75</u> at the time.

We know this because Canaan at age 75 <mark>after his father's</mark> 9 <mark>5</mark> [see Gen. 11:32].

{44} Acts		
King James 1769 Version	King James Paraphrase	
 (2) And he said, Men, brethren, and fathers, hearken; The God of glory appeared unto our father Abraham, when he was in Mesopotamia, before he dwelt in Charran, (3) And said unto him, Get thee out of thy country, and from thy kindred, and come into the land which I shall shew thee. (4) Then came he out of the land of the Chaldaeans, and dwelt in Charran: and from thence, when his father was dead, he removed him into this land, wherein ye now dwell. Acts 7:2-4 KJV 	 (2) And he {Stephen} answered, Men, brothers, and fathers, listen; The God of glory appeared to our forefather Abraham, when he was in Mesopotamia, before he lived in Haran,^a (3) And said to him, Get out of your country, and away from your kindred, and come into the land which I shall show you.^b (4) Then he came out of the land of the Chaldaeans, and lived in Haran: and from there, when his father was dead,^c he removed himself into this land, in which you now live. {44} Acts 7:2-4 KJP 	
7:4c – when his father was dead – by this we know that Abraham came to Canaan following the death of his father who was 205 at the time {Gen. 11:31-32} and Abraham was 75 years old at the time {Gen. 11:32 – 12:5} See <u>Appendix G: World Time Line of Biblcal History</u>		

Notice that the Jews believe Israel was in Egypt 210 years. They are actually off by 5 years. We know this by doing the chronology and using Paul's statement in Gal. 3:15-19. The Jews do not know the exact year because they do not believe the New Testament and Paul, so they are rounding the time off to 210 years when in actuality is was 215 years {see math below}.

3:17e - The Law was given on Mount Sinai 430 years after the promise was given to Abraham who was 75 years old at the time. Abraham lived to be 175 years old [Gen. 25:7] The Israelites came out of Egypt 430 years to the very day from the day the promise was given to Abraham.

The Jews came out of Egypt 1/14/2513 A.H. - See <u>Appendix G: World Time Line of Biblical</u> <u>History</u>

Note: this proves conclusively that the Jews were not slaves 400 years as so many misquote scripture. Every Jew knows this is true, but many Christians who do not understand King James English don't and many modern translations totally corrupt the scripture. - See notes on Genesis 12:1-4; 15:13; 50:26

Moses was 80 years old when he received the law {50 days after the Passover in 2513 A.H.}

How Long Was Israel in Egypt? - Page 3 [Not A Jot Or A Tittle page 81]

Reckoning Jacob's age:

Jacob was 147 when he died, he had lived in Egypt 17 years {Gen. 47:28} {2315 A.H.} He came to Egypt in the 2nd year of the famine at the age of 130 {147-17=130} {Gen. 45:6} Joseph was 39 when Jacob came to Egypt $\{30+7+2=39\}$ {2298 A.H.} Jacob was 91 when Joseph was born $\{130-39=91\}$ {2259 A.H.} Jacob had been in the east 14 years when Joseph was born {Gen. 45:6; 47:28; 30:26; 31:41} Jacob was 77 when he fled from Esau {91-14=77} {2245 A.H.} Isaac was 60 when Jacob was born {Gen. 25:26} {2168 A.H.} Abraham was 100 when Isaac was born {Gen. 21:15}{25 years after the promise was given}

By doing the math we know that Jacob entered Egypt 215 years after the promise was given to Abraham $\{25+60+130=215\}$ By subtraction 430 -215 = 215 we know that there was only 215 years from the time Israel entered into Egypt until the Law was given to Moses.

Moses was 80 years old when he received the law.{2513 A.H.}

Joseph died at the age of 110 {Gen. 50:26} – which means he lived 71 years {110-39=71} after Israel came into Egypt. By subtraction {215-71-80 = 64} Moses was born only 64 years after Joseph's death which means that Moses' parents could well have known Joseph. This also means that there was only 144 years {215-71=144} years from the death of Joseph until Israel left Egypt. So the total number of years of actual slavery was at most 144 years.

If all this is true, where did the idea come from that Israel was in slavery for 400 years? It comes from a misunderstanding of two passages of scripture which we will now deal with.

How Long Was Israel in Egypt? - Page 4 [Not A Jot Or A Tittle page 82]

{01} Genesis				
King James 1769 Version	King James Paraphrase			
 (13) And he said unto Abram, Know of a surety that thy seed shall be a stranger in a land <i>that is</i> not theirs, and shall serve them; and they shall afflict them four hundred years; (14) And also that nation, whom they shall serve, will I judge: and afterward shall they come out with great substance. (15) And thou shalt go to thy fathers in peace; thou shalt be buried in a good old age. (16) But in the fourth generation they shall come hither again: for the iniquity of the Amorites <i>is</i> not yet full. Gen. 15:13-16 KJV 	 (13) And He said to Abram, Know for certain that your descendants shall be strangers in a land <i>that is</i> not theirs, and shall serve them; and they shall afflict them four hundred years;^e (14) And also that nation, whom they shall serve, I will judge: and afterward they shall come out with great substance. (15) And you shall go to your fathers in peace; you shall be buried in a good old age. (16) But in the fourth generation^d they shall come here again: because the sin of the Amorites <i>is</i> not yet full. {01} Gen. 15:13-16 KJP 			
 15:13c - Note: Abraham's descendants would in theirs and would be afflicted, but they we years. The 400 years is counted from Is that women of that time period nursed to them at age 5 – see Gen. 21:9. Moses was Joseph's death. The law of Moses was given to Abraham who was 75 at the lived 100 years after the promise was given to Abraham who was 75 at the lived 100 years after the promise was given to Abraham who was 75 at the lived 100 years after the promise was given to Abraham who was 75 at the lived 100 years after the promise was given to Abraham who was 75 at the lived 100 years after the promise was given to Abraham who was 75 at the lived 100 years after the promise was given to Abraham who was 75 at the lived 100 years after the promise was given to Abraham who was 75 at the lived 100 years after the promise was given to Abraham who was 75 at the lived 100 years after the promise was given to 410 years after	rere only in Egypt a total of 215 aac's 5 th birthday – it is believed their young and then weaned as born only 64 years after iven 430 years after the promise e time. [Gal.3:15-19] Abraham ven to him. [Gen. 25:7] See <u>al History</u> - four hundred years - See ttion through his father Amram,			

The King James Version correctly translates the passage, but people don't understand or pay attention to the wording. Throughout their lifetimes, Abraham, Isaac, and Jacob referred to themselves as strangers in the land in which they lived. Notice the passage says they will be strangers in the land and they will be afflicted 400 years {most of their lifetimes there were problems with the locals over wells that Abraham had dug}, and the land in which they will serve {namely Egypt}, God will judge. **It does not say they will serve 400 years.** Isaac was born 25 years after the promise was given to Abraham who was 100 when Isaac was born. This means that the 400 year count began when Isaac was 5 years old. We are told that a great feast was held when Isaac was weaned in Gen. 21:8. We believe that is when the 400 year count began.

How Long Was Israel in Egypt? - Page 5 [Not A Jot Or A Tittle page 83]

Since there was only 430 years from the time the promise was given to Abraham until the Law was given $\{50 \text{ days after the Passover}\}$ $\{Gal. 3:15-19\}$ – for the descendants of Abraham to have been in slavery for 400 years, Abraham himself would have had to been in slavery for 70 years $\{100-30=70\}$ since he lived 100 years after the promise was given $\{Gen. 25:7\}$. We know of course that was not the case.

{02} Exodus

 (40) Now the sojourning of the children of Israel, who dwelt in Egypt, <i>was</i> four hundred and thirty years.  12:40f -the sojourning (history) of the children of Israel - note the phrase "who lived in Egypt" <u>identifies</u> the descendants of Abraham as the ones being spoken of - they were NOT in Egypt 400 years since <u>there was</u> <u>only 430 years from the promise given to Abraham</u> to the Exodus {Gal. 3:15-19} - see following note 12:41g - 430 years "to the selfsame day" - lit. <u>to the very day</u> the covenant was made with Abraham [2083 A.H.] See also Gal. 3:15-19 - 400 years from Isaac's 5th birthday, 215 years after Israel entered Egypt, 330 years after the death of Abraham, 144 years after the death of Joseph. Moses is 80 years old, Aaron is 83 years old. See: Appendix G: World Time Line of Biblical History 					

Notice that Israel came out of Egypt exactly 430 years <u>to the very day</u> that the promise was given to Abraham. They came out of Egypt on the day of the Passover {which began at 6:00 p.m. the previous evening} which was the first month {Nisan [March-April]} the 14th day of the month {See Lev. 23:5}.

Lamb presented on Nisan 10 {Palm Sunday}. -- Ex. 12:2-5

In the **fourteenth** day of the first month {Nisan [Mar.-Apr.]} at evening is the LORD's {Jehovah's} Passover. Lev. 23:5 KJP

Note: the new day begins at evening – see Genesis 1 – so the Passover began at 6 p.m. Wednesday {Jesus celebrated the Passover meal with His disciples Wednesday evening}; the day of Preparation began at 6 p.m. Thursday {Jesus was taken off the cross Thursday evening}; the Sabbath began at 6 p.m. Friday {Jesus could not be touched or taken off the cross on the Sabbath}. See <u>What Day of The Week Was Jesus Crucified</u> at <u>www.TheWordNotes.com</u>

Note: On the modern Jewish calendar, Nisan can never begin on a Friday and Passover has been moved to Nisan 15. {It is the opinion of this author that the calendar was changed by the Sanhedrin following Jesus' resurrection.} See note on The Jewish Calendar at <u>www.TheWordNotes.com</u>

Palm Sunday Notes - Page 2 [Not A Jot Or A Tittle page 86]

[F-8] What Day of the Week Was Jesus Crucified?

There has been much controversy through the years as to what day of the week Jesus was actually crucified. The fact is that <u>the gospels clearly tell us what day it was</u>, but the problem is that most English speaking Christians have forgotten how the Jewish calendar works. For the Jews <u>the new day</u> <u>begins at evening</u> [not midnight]. This goes back to the first chapter of Genesis: "there was <u>evening</u> and there was <u>morning the first day...</u>" [Gen. 1:5]; "there was <u>evening</u> and there was <u>morning</u> the second day..." [Gen. 1:8], etc.

Matthew and Mark both plainly tell us that Jesus was taken off the cross **<u>at evening</u>** – this means that **<u>the new day had begun</u>**. The only question remaining is whether this "**new day**" was the "**sabbath**" or "**the day of preparation**" and Mark, Luke, and John answer that question.

If Jesus was crucified on Friday, as most traditions say that He was, then **the evening {of the new day}** that Jesus was taken down off the cross **was the sabbath** which begins Friday evening. If Jesus was crucified on Thursday then **the evening {of the new day}** that He was taken down off the cross **was the "day of preparation"** [which began the Thursday evening] which was the day before the sabbath. The scriptures speak for themselves.

Then Pilate commanded the body to be delivered. (52) This <i>man</i> went unto Pilate, and begged the body of Jesus. (53) And he took it down, and wrapped it in linen, and laid it in a sepulchre that was hewn in stone, wherein never man before was laid. (42) There they laid Jesus therefore because of the Jews' preparation <i>day</i> ; ^m because the tomb was near at hand. {John 19:41-42 KJP}			

Jesus was crucified on Thursday: Thursday evening began "<u>the day of preparation</u>". Jesus lay in the tomb Thursday night, Friday night, and Saturday night and on the third day He arose just as He said He would. The "<u>day of preparation</u>" was to prepare for Sunday the day of the "<u>First Fruits</u> <u>Offering</u>" according to Leviticus 23 – later to be called "<u>Easter</u>." The Jews could not "prepare" on the <u>sabbath</u> so a special day was set aside for that purpose <u>the day before the sabbath</u>. {For calendar purposes the new day for the Jews begins at 6:00 p.m. - for prophetic purposes 6 p.m. Jerusalem time.}

What Day of the Week Was Jesus Crucified? Page 2 [Not A Jot Or A Tittle page 88]

This means Jesus hung on the cross the day of the **Passover** which began **Wednesday evening and extended to Thursday evening**. The Modern Jewish calendar was changed after Jesus lifetime to not allow **Passover** to be on **Thursday**!! {40} Matthew		
King James 1769 Version	King James Paraphrase	
(40) For as Jonas was three days and three nights in the whale's belly; so shall the Son of man be three days and three nights in the heart of the earth. Mat. 12:40	(40) Because as Jonah was three days and three nights in the whale's belly; so shall the Son of Man be three days and three nights in the heart of the earth. {40} Mat. 12:40	

Note: the new day begins at evening – see Genesis 1 – so the Passover began at 6 p.m. Wednesday {Jesus celebrated the Passover meal with His disciples Wednesday evening}; the day of Preparation began at 6 p.m. Thursday {Jesus was taken off the cross Thursday evening}; the Sabbath began at 6 p.m. Friday {Jesus could not be touched or taken off the cross on the Sabbath}. If you say Jesus was buried on Jewish Friday {which begins 6 p.m. Thursday} you are correct. If you say He was buried on English {Gregorian} Friday, you are accusing Jesus of lying.

Note: On the modern Jewish calendar, Nisan can never begin on a Friday and Passover has been moved to Nisan 15. {It is the opinion of this author that the calendar was changed by the Sanhedrin following Jesus' resurrection.} See note on **The Jewish Calendar** at <u>www.TheWordNotes.com</u>

Note: Jonathan Cahn a Messianic Jewish Rabbi in his book: <u>**Book of Mysteries**</u> called my attention to the fact that Palm Sunday was on Nisan 10 {see Exodus chapter 12}. After looking at the calendar presented above, I realized that my calendar and his were an exact match for that date.

King James 1769 Version	King James Paraphrase
(2) This month <i>shall be</i> unto you the beginning of months: it <i>shall be</i> the first month of the year to you. (Exodus 12:2)	

This command to Moses in the book of Exodus changed the beginning of the year from the Jewish month Tishri [September/October] to the month Nisan [March/April]. The month Tishri which was originally the first month of the year became the seventh month of the year. Interestingly, modern Jews still <u>start their</u> <u>calendars</u> with the <u>seventh</u> month Tishri, but <u>number</u> their months beginning in Nisan. A Jewish rabbi explained to me that the Jews are the only people who begin their new year in the <u>seventh</u> month rather than the <u>first</u> month of the year.

King James 1769 Version	King James Paraphrase

The Jewish day starts at 6:00 p.m. rather than midnight as the Gregorian calendar we use. Therefore the phrase "the evening and the morning were the first day" {Gen. 1:5} is literal.

The Jewish calendar follows the "Golden Cycle" which is a 19 year cycle of lunar months and solar years. The years 3,6,8,11,14,17, and 19 are leap years. There are 12 "common" years with 7 "leap" years giving a total of 235 lunar months which make up the 19 solar years. The common years may be 353 days, 354 days, or 355 days. The leap years will be 383 days, or 384 days, or 385 days. For more information on the construction of the Jewish calendar see [G-2] <u>The Jewish Calendar - Old and New Calendars</u> and Arthur Spier's book: <u>The Comprehensive Hebrew Calendar</u> published by Feldheim Publishers, Jerusalem/New York.

Ab 9 [Destruction of Temples]

(503) Zedekiah's rebellion results in destruction of Jerusalem and Temple (II Ki. 25:1-4,8; II Ki. 24:3-9; Jer. 39:1-2; 52:2-7; Ezek. 4:5) 19th year of captivity} - siege lasted from 10/10/9 to 4/9/11 -- 1 year, 5 months, 29 days - 539 days Temple destroyed by Nebuchadnezzar's armies on 5/9/3539 A.H. {**Ab 9**} (according to tradition)

(4112) (70A.D.) Second Temple Destroyed, 5/9/4112 A.H. on **{Ab 9}** Israel scattered **<u>the exact day</u>** the 1st temple was destroyed 573 years earlier.]

According to secular history and Jonathan Cahn's book: The Book of Mysteries, "The Ninth of Av", p. 211.

Destruction of Solomon's Temple - Ab 9 (586 B.C.) - - [503 B.C. by my chronology – see notes on the 83 year difference in modern chronologies in: <u>World Time Line of Biblical History</u>]

Crusades began on Aug. 15, 1096 A.D. – **Ab 9** according to Jonathan Cahn -- [My calculations have Ab 9 on July 31, 1096 A.D. – our calendars were adjusted by Pope Gregory XIII in 1582 A.D. and the Jews' calendar sometime after Jesus' death. See <u>The Jewish Calendar</u> at <u>www.TheWordNotes.com</u>]

Next holy day to be fulfilled: <u>Feast of Trumpets</u> {modern Rosh Hashanah} 7/1/???? ({03} Lev. 23:24)

Trumpets are sounded 100 times – three different tones three times for 9 soundings – this is done eleven times for a total of 99. Then there is a pause. Only the trumpeter knows when the <u>last trumpet</u> will sound for number 100. ["In a moment, in the twinkling of an eye, <u>at the last trump</u>: because the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed." I Cor. 15:52]

The following holy days were added later by the Jews: <u>Purim</u> {lots} [Adar 14 and 15 {February-March} based on Esther chapter 9]

<u>Hanukah</u> {dedication} - <u>Feast of Dedication</u> [Jn. 10:22] also called the <u>Feast of Lights</u> based on when the Lord miraculously provided oil for the temple lamps during the time of the Maccabees [around 168 B.C.] before Jesus' birth. The Maccabees led a successful revolt against the Syrian king Antiochus IV who had sacrificed a pig on the temple altar and banned Judaism. Hanukah can and often does occur on Christmas. It last occurred on Christmas in 2016 and it will occur on Christmas again in 2027. [This holy day is recorded in the Apocrypha in the books of first and second Maccabees but is also mentioned in John 10:22 when Jesus came to the temple at the <u>Feast of Dedication</u>.]

The Jewish calendar calculations were privately made by the Sanhedrin during the years of the second temple. Those calculations were first publicly released by Hillel II in the fourth century A.D. A number of changes were made by the Sanhedrin after the crucifixion of Jesus which in the opinion of this author were deliberate attempts to draw attention away from Jesus' fulfillment of the holy days. All Jewish calendar dates are based on Jerusalem time.

This program was originally written in BASIC in the late 1980's and re-written in Quick BASIC in 1993. In January, 2007 it was re-written in Visual BASIC 5.0, in 2012 it was re-written in Visual BASIC 2010 to be compatible with Windows 8 and Windows 10.

Greenwich, England has been the home of Greenwich Mean Time (GMT) since 1884. GMT is sometimes called Greenwich Meridian Time because it is measured from the Greenwich Meridian Line at the Royal Observatory in Greenwich, England. Greenwich is the place from where all time zones are measured -- Longitude Zero degrees. Longitude Zero is sometimes referred to as Zulu {for zero} time zone. New moon times are based on Jewish calculations which use an average time for lunar months. In reality the moon speeds up when closer to the earth and slows down when further from the earth. This causes the new moon times to vary from actual observatory times.

[G-4] Reference Day/Holy Day Calendar 5708 C.E. - 5860 C.E.

{1947 A.D. - 2100 A.D.}

** The following calendar data of Holy Days is still being analyzed and is presented here to make future research by others easier. The number of days between "Holy Days" can be obtained by simply subtracting their Reference Days.

The Holy Days listed are:

Rosh Hashanah- The Jewish New Year on their modern calendar. The first day of the month of Tishri. The seventh month of the Jewish calendar. The required time for the blowing of the trumpets. (Lev. 23:20) Rosh Hashanah will always occur in September or October of the year.

Yom Kippur- The Day of Atonement, the tenth day of the seventh month Tishri) (Lev. 23:27)

Succoth- Feast of Tabernacles- begins the 15th day of the seventh month (Lev. 23:34) **Hanukah**- Beginning of the Jewish Feast of Lights (not a Scriptural Holy Day, but included here because it is considered holy to modern Jews.

Christmas- a holy day to Christians, although the exact day of Jesus birth is questionable

New Year (Gregorian -- January 1) added for reference purposes only

Nisan 1- The first day of the first month of the year {First month according to Exodus 12:2}

Nisan 14- Biblical Passover (Lev. 23:5)

Nisan 15- Modern Jewish Passover

Easter {Biblical} - First Fruits Offering- Sunday following the first Saturday which occurs on or after the Biblical Passover in accordance with the holy day of Jesus' resurrection. (Lev. 23:10-11)

Easter {Modern}- The first Sunday, after the fourteenth day of the ecclesiastical moon {nearly full moon} which occurs on or after the vernal equinox. Easter is computed according to the Gregorian method after 1582 A.D. [Easter can occur any time from March 22 to April 25.]

Israel's Birth-Jewish - Israel's re-birth on the Jewish Calendar {Iyar 5} **Israel's Birth-Gregorian** - Israel's re-birth on the Gregorian Calendar {May 14} **Shavouth**- 50 days from Modern Passover - Jewish Pentecost

Pentecost- 50 days from Modern Easter - Christian Pentecost

Ab 9- the 9th of the month of Ab, the day which according to Jewish tradition is the exact day that both temples were destroyed.

The **Gregorian Date** is our modern Gregorian calendar.

The **Julian Star Date** used by observatories and for space flights is computed from the arbitrary date of Jan. 1, 4713 B.C., at noon Greenwich mean time.

Reference Day/Holy Day Calendar {1947-2100 A.D.} - Page 1 [Not A Jot Or A Tittle page 99]

The **Reference Date** is computed from May 14, 1948 A.D., Iyar 5, 5708 C.E. [The day Israel became a nation.] {On my original calendar I had used September 15, 1947 A.D., Tishri 1, 5708 C.E. as the reference date, but have now changed it to the actual date of Israel's rebirth.}

The **reference date** can be computed by subtracting **2432685** from the astronomical Julian Star Date.

The following data was computed by the **Maratime.exe** calendar program which I wrote for this purpose in the 1980's and have updated through the years. It is available at <u>www.TheWordNotes.com</u> and is compatible from Windows Vista to Windows 10 but has not been tested in Windows 11. Jewish dates have been verified by using the book <u>Comprehensive Jewish Calendar</u>, by Arthur Spier {ISBN 0-87306-288-4}

GY – Golden Year – The Jewish calendar follows the Golden Year 19 year cycle. Every 19 years the lunar calendar approximately re-aligns with the solar calendar. The Golden year can be computed by dividing the Jewish year by 19 yielding a remainder which will be the Golden Year. Golden Years 3, 6, 8, 11, 14, 17, and 19 are leap years on the Jewish calendar and will have 13 months rather than 12 months.

{Data is contained in the file: <u>reference.pdf</u>} The following data is available in ASCII text format for computation in the file: <u>rdcal.txt</u>

For the purposes of this study I've included Reference Data from <u>2021</u> to <u>2029</u>. A complete set of data from 1947 to 2100 is available at <u>www.TheWordNotes.com</u>

[G-2] The Jewish Calendar -- Old and New Calendars

After all of the work on the "Prophetic Calendar" I realized that the "Prophetic Calendar" does not coincide with any modern-day calendar. I began to be curious as to how the prophetic dates of Daniel would fit with the Modern Jewish calendar. We must first realize that the Modern Jewish calendar is not the same calendar Daniel was familiar with since a number of revisions in the calendar have taken place through the years {Just as changes have been made in the Julian/Gregorian calendar since the days of Jesus}. Daniel could not have foreseen the Modern Jewish calendar, and could not understand how the dates he was given might fit together on a calendar which would be in use about 2500 years in his future. However, the reference to the antichrist's desire to change "times" {calendars} {Dan. 7:25} in the future suggests that the antichrist will realize the importance of a calendar {in particular the Jewish calendar} in use during his lifetime and will deliberately change the calendar to turn attention away from the prophecies of Daniel and the Revelation. The following gives the setup of the Modern Jewish calendar:

The Jewish Calendar - Page 1 [Not A Jot Or A Tittle page 109]

We call the bottom calendar the "Old" Jewish calendar. In reality, the "New" or "Modern" Jewish calendar at the top is supposedly the older calendar! The first month of the year supposedly originally began in September/October, but was changed by the Lord's command in Exodus 12:2 to the month of Nisan in March/April {the month of the Passover}. Modern Jews still change their calendar year based on the old calendar {since the new year – Rosh Hashanah begins in Tishri} and have also changed the Passover from the evening of the 14th of Nisan to the evening of the 15th. Many believe, and it is my opinion, that these changes were intended to draw attention away from the crucifixion of Jesus and His fulfillment of prophecy. While at chaplain school, a Jewish rabbi told me that the Jews are the only people who celebrate the new year {Rosh Hashanah} during the **SEVENTH** month rather than the **FIRST** month. I believe there are prophetic reasons why this is true! {Possibly because this is time of the year Armageddon will take place, and possibly the Rapture. I am not 100% sold on the idea that the rapture must be at Rosh Hashanah {Although that is the next holy day to be fulfilled and it is the Feast of Trumpets}, but I do not have enough Biblical evidence to conclude that this is a wrong interpretation.}

Rules for construction of the Modern Jewish calendar: [From: <u>The Comprehensive Hebrew Calendar</u> by Arthur Spier, Feldheim Publishers, Jerusalem/New York, 1981]

{Note: The Jewish day begins at 6:00 p.m., not 12:00 a.m. as on the Gregorian calendar.}

One hour = 1080 Halakim (parts); one Helek (part) = 76 Regaim (moments); one part = 3 1/3 seconds; **1 moment =** 5/114 seconds {See I Cor. 15:52}

Tishri will always begin in September or October.

Nisan will always begin in March or April.

Tishri 1 must occur on the new moon {which must be calculated to the <u>nearest minute based on Jerusalem time</u>} with the following exceptions:

Dehioth {Postponements}

a. ** When it {Rosh Hashanah} occurs on a Sunday, Wednesday, or Friday, it is postponed to the following day. {This prevents Biblical Passover from occurring on a Thursday and Nisan 10 {our Palm Sunday [Ex. 12:2-5]} from occurring on a Sunday. I believe this change was intentionally made by the Sanhedrin after Jesus' lifetime. See note at bottom of article.}

b. When the new moon occurs at noon or later Tishri is postponed to the next day (and to the following day if this would cause it to land on Sunday, Wednesday, or Friday.

The Jewish calendar follows the "Golden Cycle" based on the 19 year solar cycle. {The "Golden Cycle" is the number of years it take for the lunar months to re-align with the solar years -- 19 solar years equals approximately 235 lunar months -- 6939.689621913 days} The following years in the cycle are "leap" years: 3, 6, 8, 11, 14, 17, and 19th years. These years have thirteen months. The thirteenth month is call ADAR II on the Jewish calendar. Common years may have 353 days, 354 days, or 355 days. Leap years have 383 days, 384 days, or 385 days. To determine the length of the year, you must calculate when the next Rosh Hoshanah New Moon will occur, determine if Rosh Hoshanah must be postponed due to the above rules, and you must know whether it is a leap year or not. Then based on these rules, the months of Heshvan, Kislev, and Adar are adjusted to fulfill the requirements as follows: Wednesday, or Friday).

c. When it occurs on a Tuesday in a common year <u>204 parts</u> [after <u>3 a.m]</u>, it is postponed to the following day and because the following day is Wednesday it is postponed an additional day. **d.** When it occurs on a common year succeeding a leap year, and <u>589 parts</u> after [<u>9 a.m]</u>. it is postponed to the following day.

Based on the above rules, Rosh Hashanah will actually not fall on the true new moon but will be postponed to the following day more than 60% of the time!

Length of regular year:

353 days -- 12 months, alternately having 30 and 29 days, except Kislev has 29 days instead of 30 days [defective common year]

354 days -- 12 months, alternately having 30 and 29 days [normal common year]

355 days -- 12 months, alternately having 30 and 29 days, except Heshvan, with 30 days instead of 29 [excessive common year]

Length of leap year:

- 383 days -- 12 months, alternately having 30 and 29 days, except Kislev has 29 days instead of 30 days, with 1 additional month, Adar I will have 30 days [defective leap year]
- 384 days -- 12 months, alternately having 30 and 29 days, with 1 additional month, Adar I will have 30 days [**normal** leap year]
- 385 days -- 12 months, alternately having 30 and 29 days, except Heshvan with 30 days instead of 29 days, and one additional month, Adar I will have 30 days [excessive leap year]

Rosh Hashanah, Tishri 1, 5757, {Sept. 14, 1996} is the beginning of the 19th year in the leap year cycle and is therefore a leap year. To determine whether a year is a leap year, divide the year by 19; the remainder is the year in the cycle. {The year 5757 divided by 19 yields 303 with a remainder of 0 which means it is the 19th year in the cycle.}

The exact New Moon is computed from observatory data which yields 29.530588437 days from New Moon to New Moon. {29 days 12 hr 44 min 2.841 sec} The exact rules for calendar construction are given in Arthur Spier's book: <u>The Comprehensive Hebrew Calendar</u>, Feldheim Publishers, 1981, New York and Jerusalem [ISBN# 0-87306-288-4].

For anyone interested, I have written a computer program [MaraTime.exe] which will calculate the Jewish calendar months using the astronomical star date calendar for any year past, present, or future and will give the reference dates for certain holy days. This information is given for the years 1947 A.D. - 2100 A.D. on my website. See articles below.

The <u>Reference Date</u> given with the calendar dates uses Friday, Iyar 5, 5708 C.E. {May 14, 1948} as reference date - 0 and computes all dates relative to this date. By doing this anyone can quickly determine the number of days between any two Jewish holy days by simple subtraction.

The following three sections: {Originally based on Arthur Spier's book: <u>The Comprehensive Hebrew Calendar</u> have now been re-worked and completely computer generated and verified using my own program Maratime.exe referred to above and double validated with Arthur Spier's book.} See also: [G - 8] <u>The Holy Days</u>.

G - 3 Modern Jewish Calendar 1947 A.D. - 2100 A.D.

G-4 Reference Day/Holy Days Calendar1947 A.D. - 2100 A.D.

G – 5 Computer Analysis of Holy Days

The Jewish calendar calculations were privately made by a handful of men on the Sanhedrin during the time of the second temple {about 430 B.C to 69 A.D.}. Those calculations were first made public by Hillel II during the fourth century A.D. {around 358 A.D.} due to fears the Jewish calendar information might be lost in the dispersion of the Jews {page 2 -<u>The Comprehensive Hebrew Calendar</u>}. It is the opinion of this author that changes were made by the Sanhedrin following Jesus' death to draw attention away from the fact that Nisan 10, the Passover, the First Fruits Offering, and Pentecost were fulfilled by **Jesus THE Passover sacrifice as the **Lamb without blemish**:

1) Biblical Passover according to Lev. 23:4-6 begins the evening of the 14^{th} day of Nisan; modern Passover {Pesa} is on the 15^{th} of the month.

2) Biblical Pentecost according to Lev. 23:15-16 is counted 50 days from (and including) the First Fruits Offering {Easter}; modern Pentecost {Shavouth} is counted 50 days from modern Passover {Pesa}.

3) Nisan 10 cannot occur on the modern Jewish calendar on a Sunday. The above rule "**a**." marked by "**" prevents that from occurring. See <u>What Day of the Week Was Jesus Crucified?</u> at <u>www.TheWordNotes.com</u>.

While Jewish scholars would argue that the above are "interpretation" issues rather than actual changes to the modern Jewish calendar, it is my opinion that these changes were <u>intentional</u> changes made by the Sanhedrin after Jesus' death. The Jews' religion requires them to worship on specific days; the Sanhedrin did not want the calendar to be constantly reminding them that **Jesus fulfilled the holy days**! Since the calendar calculations were secretly made by the Sanhedrin all the way up to the 4th century A.D. there is no way I can actually prove this to be true, nor is there any way for anyone to disprove this opinion.

Note: <u>all calculations must be carried out to 12 digits of accuracy</u>. {8 digits to the right of the decimal}; which means a standard 8 digit calculator can't be used. When writing the program: **Maratime.exe** in 1988, it took about a month to write the program (I was a full-time high school teacher and bus driver at the time) and about a month to de-bug various issues. When I ran the program my dates did not match with Arthur Spier's data, even though I had followed all of his calculations to the letter. Finally, the Lord led me to do the calculations by hand. As soon as I completed the first set of calculations, I knew immediately what the problem was: **Computers and all calculators by default round all numbers to eight digits!** I re-wrote parts of the program and told the computer to use **double-digit accuracy** and the problem was resolved! **All dates matched exactly.**] **These calculations were done during the time of the second temple [from around 433 B.C. to 70 A.D.**] without the aid of computers or calculators!!!

[G-1] THE PROPHETIC CALENDAR

Notes on Construction of the Prophetic Calendar:

- 1. This calendar is based on a **360 day year** which is indicated in Gen. 7-8 as the original time period of the first calendar. See <u>How Long Was A Day In Genesis</u>
- 2. The feasts and holy days are based on Lev. 23-25.
- 3. The number of days counted: 2300; 1335; 1290; and 1260; come from Dan. 8:14; 12:12; 12:11; 12:7; and Rev. 12:6,14 respectively.
- 4. The last seven year time period is based upon Dan. 9:24-27.
- 5. The Year of Jubilee is based upon Lev. 25.
- 6. The month designations are Jewish but the calendar differs from the modern Jewish calendar in the following ways:
 - a. This calendar begins the year with the month Nisan (March-April) which is the first month of the year according to Lev. 23. The modern Jewish calendar also refers to Nisan as the first month, but not as the first month of the new year! (Rosh Hoshanah) Modern Jews celebrate Rosh Hashanah (New Year) in the seventh month (Tishri.) The original calendar supposedly began in September-October {Tishri} but was changed by the Lord's command in Exodus 12:2
 - b. This calendar makes no provision for leap days, leap months, or leap years since these are not provided for in Scripture.

WHY THIS CALENDAR WAS CONSTRUCTED IN THE FIRST PLACE!

This calendar was constructed as a result of personal studies in Biblical prophecy and the inspiration that significant events in Christian history have coincided with the feasts and holy days ordained by God in Lev. 23-25. Note that **these holy days are not the <u>Jews'</u> holy days, but <u>God's</u> holy days. (Lev. 23:2) From the Christian perspective we know that our Lord was slain as the 'Passover Lamb' without blemish (Lev. 23:12; I Cor. 5:7) at the required time of the Passover**. (Mat. 26f; Mark 14f; Luke 22; John 13f) We also know that our Lord arose from the dead on the day after the Sabbath following the **Passover** as the **first fruits** unto the Lord. (Mat. 28; Mark 16; Luke 24; John 20; Lev. 23:11; I Cor. 15: 20) that we might be acceptable before the Lord (Lev. 23:12; Rom. 3:21-26; 8:1-14.) We are further aware of the fact that the out-pouring of the Holy Spirit at **Pentecost** (Lev. 23:15-17; Acts 2) was also significant and the same holy day that the Jews received the Law of Moses following their exodus from Egypt. See <u>Fulfilled</u> Holy Days.

The results of this insight led me to connect the **Passover** during the Jewish flight into the wilderness from the pharaoh with the future Jewish flight into the wilderness from the anti-christ. (The length of time for the latter, future event is given as **1260 days** according to Rev. 12:6,14 and Dan. 12:7) Since 1260 days is exactly **3 1/2 years on a 360 day calendar** I decided to create a seven year calendar, place all the holy days upon it and in the middle of the seven year calendar on the **Passover** place the number **1260 days**. From this point I counted downward to day one and upward to day **2300**. Day one turned out to be the day before the **Feast of Tabernacles** of the seventh year! (The Feast of Tabernacles is called the Feast of the Lord in Lev. 23:39) (See also Is. 25:6-12.) Immediately I was reminded of Rev. 19:9-"Blessed are those who are invited to the marriage supper of the Lamb."

But this is only the beginning of the discoveries. Upon counting upward to **2300 days** I discovered that the **day 2300** {when the treaty is signed by the anti-christ} occurs **10 days before Pentecost** during the first year. At first I didn't associate that day with any important day so I recounted the days to be sure no error had been made. Finally satisfied that no errors had been made I remembered that something very important did occur **10 days** before Pentecost. **Our Lord ascended into heaven on that day**! (See Acts 1.)

The Prophetic Calendar – Page 1 [Not A Jot Or A Tittle page 113]

In this scenario the last seven years would have to begin with day **2520** also starting with the **Feast of Tabernacles** before the beginning of the seven years! [Seven complete years of 360 days is 2520 days.] The two witnesses of the Revelation witness for **1260 days** and are killed by the anti-christ **1260 days** before Armageddon. So they would have to begin their testimony on a **Feast of Tabernacles** before the last seven years.

Scenario #2

Later, I realized there is also another scenario with the **360 day calendar**.

If the last seven years **[day 2520]** begins with **Nisan 1** and the two witnesses begin their ministry **at that time**, the **2300 day** count {when the treaty is made} would be on a **Yom Kippur**, the abolition of the sacrifices on **day 1290** would be on a **Purim**, the two witnesses would be killed on a **Rosh Hashanah**, and Armageddon would end on the last day of the twelfth month [Adar 30] at the end of the seven years.

========

I added three and a half years to the beginning of the last seven years to see where the **day 1335** of Daniel would fit, but have found nothing of significance.

There is nothing in either calendar scenario that suggests when the **Rapture** could occur, but we know it must occur **before or when** the two witnesses **begin their testimony**. Nor does either scenario suggest when the **Russian invasion** of Israel will occur, but it also must take place **before the two witnesses begin their testimony**.

I do need to emphasize that no calendar in existence today has 360 days in a year!

I have done a computer analysis checking when each of the **numbers of Daniel** might occur on the **modern** Jewish calendar. The volume of data was so overwhelming that I have not done anything with it except to see that the data does not appear to follow either of the above scenarios! It is posted on my website so anyone interested can view the data for themselves.

[C-5] How Long Was A Day In Genesis?

Whatever a person wants to believe about how long a day was in the first chapter of Genesis, it is a Biblical fact that nowhere in the Old Testament does the Hebrew word for "day" {yom [מים]} ever refer to anything other than a normal, <u>approximately 24 hour</u>, day when a **number** is attached to the word. To say that the word had a different meaning in the first chapter of Genesis than it has in the rest of Scripture cannot be supported Biblically. <u>The fourth</u> <u>commandment to observe the sabbath {Ex. 20:11} eliminates any question as</u> to the fact that first chapter refers to literal days.

By reviewing the book of Genesis concerning the Great Flood of Noah, some interesting calendar information can be determined as factual concerning the original calendar, and other things which we may not be able to prove Biblically with absolute certainty about the calendar may be **mathematically** and scientifically supported.

We know from the Genesis account of the Great Flood that the months mentioned had to be <u>**30 days**</u> in length (Gen. 7:11,24; 8:3-4). The account given indicates that there were 150 days in five months.

Gen 7:11 In the six hundredth year of Noah's life, in the second month, the seventeenth day of the month, the same day were all the fountains of the great deep broken and the windows of heaven opened. up, were Gen 8:3-4 (3) And the waters returned from off the earth continually: and after the end of the hundred and fifty days the waters were abated. (4) And the ark rested in the seventh month, on the seventeenth day of the month, upon the mountains of Ararat. [Exactly five months.]

Our own calendar for the five months from February 1 to June 30 totals 150 days on a normal year – but not on a leap year! We also know that according to the law of Moses given by the Lord, that the Jews were to mark off the months by the new moon and that there were **12 months** in a year. The thought occurred to me that perhaps the earth originally had exactly 12 lunar months in a year, but that this was changed either at the time of the Flood or some other early historical event. The following calculations imply that this hypothesis has **mathematical** support.

How Long Was A Day In Genesis? - Page 1 [Not A Jot Or A Tittle page 127] (Astronomical data comes from: **Astronomy**, ninth edition, by Baker and Fredrich, copyright 1971.)

Earth's revolution about the sun (**Tropical Year**) [time from **vernal {spring}** equinox to vernal equinox]: 365.24220 days

Synodic Month (time from new moon to new moon): 29.53059 days

{Astronomical note: the calendar is based on the Tropical Year [time from vernal {spring} equinox to vernal equinox, not the **Sidereal Year** [time to return to the same location in relation to the constellations.] For a more technical explanation on these differences see the above mentioned book or others on Astronomy.}

Suppose that the earth's rotation on its own axis originally was faster so that the Synodic Month was originally exactly 30.0 days, but by some force the earth's rotation was slowed down to the present Synodic Month. Assume also that the earth's period of revolution about the sun remains constant. The result would be approximately a <u>371 day Tropical Year</u>. This is because the earth would rotate <u>371</u> times on its axis during one complete orbit of the sun due to its faster rotational speed. {See the calculations below.} The earth is now rotating slower, because it doesn't make 30 complete rotations during the passage of a lunar cycle. It only makes 29.53059 rotations during the lunar cycle. The fact that the earth is presently rotating slower than it did even a hundred years ago is well documented. {This past December 31, 2005, atomic clocks all over the world were adjusted for the slow down that is presently still in progress.} The slow down of the earth's rotation is caused by a number of factors. One cause is the fact that the mass of water on the surface of the earth increased during the time of Noah. Another reason is the fact that the earth's radius is slightly larger today than it was in the time of Noah. Still another cause is "tidal friction" caused by the motion of the tides. All of these factors would cause the earth's rotational speed to decrease, the first two would cause the rotation to slow down in order to conserve angular momentum. [Similar to an ice skater who slows down in rotational speed when he/she extends his/her arms.] [By the way, the increase in the earth's radius would also result in a lower atmospheric pressure today as compared to years past and experiments with the isobaric chamber at Glen Rose, Texas supports a wide range of scientific results of that increased atmospheric pressure.]

How Long Was A Day In Genesis? - Page 2 [Not A Jot Or A Tittle page 128]

If this slow down did in fact occur, we can calculate the actual length of a day at the time of Noah and prior to the flood by a <u>simple inverse proportion</u>. {It is an inverse proportion because as we speed up the earth's rotation on its own axis, the amount of time it takes to complete one full day cycle - day-night decreases.}

 $\frac{29.53059}{30.00000} = \underline{x}$ 30.00000 24.0 x = 23.62447 hours / day

The actual slow down would amount to approximately <u>22.5 minutes</u> per day.

Thus the original day length would have been approximately <u>22.5 minutes</u> per day. <u>23 hours</u>, <u>37.5</u> <u>minutes</u> long by our present time keeping methods.

To find the actual number of rotations of the earth on its own axis during one year using this faster rotational speed, we can use another <u>direct proportion</u>: {It is a direct proportion because as we speed up the earth's rotation on its own axis, the number of days from vernal {spring} equinox to vernal equinox increases.}

 $\frac{29.53059}{30.00000} = \frac{365.24220}{x}$

x = 371.04799 days in a single tropical year.

According to **Kepler's laws**, the square of the time period of a planet's revolution around the sun is directly proportional to the cube of its average distance from the sun. The earth's mean {average} distance from the sun is: **149,598 kilometers** {**approximately 93 million miles**} It's actual distance from the sun is 1.7% less at its closest point {perihelion} and 1.7% more at its maximum distance {aphelion}.

By using **Kepler's laws**, we can determine the average distance from the sun the earth would have to be in order to have a **360 day** year using the faster rotation of the earth upon its axis:

 $\begin{vmatrix} & & | & 3 & | & & | & 2 \\ | & x & | & = | & 360 & | \\ | 149598 \text{ km} & | & | & 371.04799 & | & ----> & x = 146,614 \text{ km} \\ | & & | & | & | & | & | & | \end{vmatrix}$

How Long Was A Day In Genesis? - Page 3 [Not A Jot Or A Tittle page 129]

This is 1.995% less than the earth's present mean distance from the sun. or 0.2995% less than its present closest approach to the sun {perihelion}.

This means that the earth would receive slightly more solar heating than it would at the present distance from the sun. It also means there would be a greater evaporation of moisture from the surface of the earth into the earth's atmosphere. In *The Genesis Flood*, by J.C. Whitcomb, Jr. and H.M. Morris, it is proposed that at one time, namely before the Flood, the earth was enveloped by a vapor barrier which was largely dissipated at the time of the Flood. The increase in the earth's mass at the crust caused by the increased water on the surface of the earth may have caused the earth's rotation to slow down due to the laws of **conservation of angular** momentum. We also believe that the earth's radius increased slightly at the time of the flood although we can't **prove** this Biblically. As the earth's **surface** is cooling down [contrary to popular ideas] it is causing the earth's crust to **contract** causing geological plates to **compress** giving more earth quakes. **These calculations support these theories**.

If the earth were pulled into its present elliptical orbit by a passing mass in the solar system, the cool down, however slight, may have precipitated the rain during the Great Flood. The destruction of the planet **Ceres** {now the Ceres Asteroid Belt} may have been destroyed by that mass. See "<u>Musical Planets</u>" by Dr. Larry Mitcham at <u>www.TheWordNotes.com</u>

Based on the above calculations we can conclude that the original year **could** have in fact consisted of **12** - **30 day lunar months totaling 360 days**. With the dissipation of the earth's vapor barrier the earth's rotation was slowed down due to **conservation of angular momentum** and **instant climatic changes occurred freezing the polar caps and creating a mass of ice over a large portion of the earth.** {This mass of ice covered a large portion of North America.} See the section entitled: <u>When Was The Ice Age</u>?

[A-5] Holy Bible vs. New Age Bibles

Before I begin with this discussion I must ask **you** a question: Do **you** believe that Jesus was and is - **Deity**, (that He was and is God Who created the heavens and the earth) that He truly was born of a virgin, that He lived a sinless life, that He died on the cross for the sins of the world, that He arose from the dead and ascended into heaven, and that He's coming back again to reign on this present earth for a thousand years then on the new heavens and new earth to reign forever? **If you do not believe these things then there is no need for you to continue reading this document**; it will be a waste of time for you and there is nothing I can say that will persuade you about things contained in this document.

The Authorized King James Version itself while it is primarily based on the Hebrew Ben Chayyim Masoritic Text and the Greek Received Text, does in fact depart from those texts in some places for reasons and/or manuscripts which are unknown to us today. They also used the 1587 Geneva Bible and countless other translations and manuscripts in their work. Modern translations of the Bible are based on the modified {I call them <u>the corrupted</u>} Hebrew and Greek texts which were modified in the late 1800's. Men directly responsible for those modifications were Brooke Foss Westcott, Fenton John Anthony Hort, and J.B. Phillips. All three men <u>rejected</u> the deity of Jesus and all three were founding members of the "Ghostly Guild" an occult organization as is documented in <u>their own writings</u> and published in Gail Ripplinger's book: "<u>New Age Bible Versions</u>", in the section: "The Men and the Manuscripts." See also: <u>Examples of Missing Words and Verses of Scripture in Modern Translations</u> and <u>Who Changed the Bible? At www.TheWordNotes.com.</u>

<u>The rejection of Jesus as deity in my opinion proves Biblically that they were not</u> <u>led by the Holy Spirit and are disqualified as authorities on the scriptures on that</u> <u>basis alone.</u>

King James Version	New International Version
 (36) And as they went on <i>their</i> way, they came unto a certain water: and the eunuch said, See, <i>here is</i> water; what doth hinder me to be baptized? (37) And Philip said, If thou believest with all thine heart, thou mayest. And he answered and said, I believe that Jesus Christ is the Son of God. (38) And he commanded the chariot to stand still: and they went down both into the water, both Philip and the eunuch; and he baptized him. (Acts 8:36-38 KJV) 	 (36) As they traveled along the road, they came to some water and the eunuch said, "Look, here is water. Why shouldn't I be baptized?" (37) And he gave orders to stop the chariot. Then both Philip and the eunuch went down into the water and Philip baptized him. (Acts 8:36-38 NIV)

Holy Bible vs New Age Bibles – Page 1	[Not A Jot Or A Tittle page 131]

[I am using the **NIV** as an example simply because I used it for so many years myself. However, almost ALL modern translations are based on the same corrupted Hebrew and Greek texts. Note: some modern translations have put back some of the more obvious omissions - having "got their hand caught in the cookie jar" so to speak.]

Look at the above scriptures and notice what has been left out of the modern translations. Then ask yourself these questions:

1) Is Philip's answer to the Ethiopian eunuch important?

- 2) Is the eunuch's reply to Philip important?
- 3) Do you really believe the Bible is the inspired word of God?
- 4) Is it unacceptable to take words out of the Bible just because you don't

believe them?

If your answer to any of the above questions is: <u>yes</u>, you owe it to yourself, your **loved ones**, your friends, and your church to investigate what is happening to our **Bibles**. Bible teachers and ministers all over the world today are encouraging people to spend time reading their Bibles not realizing that the Bibles they may be reading may be leading them <u>away</u> from a saving knowledge of Jesus Christ and <u>towards</u> a "universal" religion.

For a brief list of changes and omissions see my notes: **<u>Examples of Missing Words and</u> <u>Verses of Scripture in Modern Translations</u> - which documents just a few of the changes for those who do not have time for more extensive research.</u>**

Please note that not <u>all</u> of the new translations have made <u>all</u> of the same omissions or changes in wording. Some translators "having got their hands caught in the cookie jar," so to speak, have stuck some of the more "<u>obvious</u>" omissions back into the text such as the New King James Bible, the **Holman Christian Standard Bible**, and others. Some publishers have put notes at the bottom such as "not in 'best' of texts" {Namely the new age text; corrupted Hebrew and Greek texts.}

In the late 1800's and early 1900's the above group of men came together to "update" the Hebrew and Greek texts that the King James Version was based on. The vast majority of modern translations are based on these "updated" [actually "corrupted"] Hebrew and Greek texts. More and more "new" translations are coming out every year and as they do, they are becoming more and more bold about leaving out and re-wording verses of scripture they disagree with.

<u>The modifications in every situation is to detract from the accuracy of scripture,</u> and to point away from the deity of Jesus Christ and His blood sacrifice for our <u>sins.</u>

Holy Bible vs New Age Bibles - Page 2 [Not A Jot Or A Tittle page 132]

The ultimate goal of these new translations is to produce a "universal" Bible that is "acceptable" to everyone - omitting the blood sacrifice of Jesus and His deity altogether.

For more detailed information on the modifications that have been made in the Hebrew and Greek texts, and various translations of the Bible, as well as information about the editors who worked on them see **Dr. Gail A. Riplinger's book:** <u>New Age Bible Versions</u>. Riplinger in her book documents in detail the various translations and the alterations that have been made in <u>parallel format</u> so anyone who can read can immediately see the changes that have been made. Literally hundreds of changes have been made. Her book can be purchased at the web site: <u>www.avpublications.com</u>. Most "Christian" book stores will not carry this book because of the tremendous amount of money that could potentially be lost and because of the controversy created by those who are ignorant of the men and issues involved.

Also, in his book - "Look What's Missing", David W. Daniels documents <u>250 intentional</u> <u>changes</u> that have been made to the newer translations, including leaving out Luke 9:54-56, and Acts 8:37 altogether! You can check out his documentation at: <u>www.chick.com</u>

For many years I have personally used the New International Version {NIV} simply because I thought it was easier to understand. I also looked up information in Hebrew and Greek texts when I had questions about the translation of a particular passage of scripture not realizing that even those texts and lexicons have been extensively altered since the 1600's. I assumed that the **New King James Version**, when it came out, would be merely a re-write of the original King James Version using more easily understandable words and phrases from more modern English. Without a doubt, I am convinced, that is exactly the reason the version was named the New King James Version, hoping that people would make that assumption and immediately adopt it for themselves without questioning its source. Recently, however, I have discovered that the vast majority of translations of scripture, including the New King James Version, New American Standard Version, New International Version, Revised Standard Version, and countless others are based on Hebrew and Greek texts which have been extensively modified since the days of the King James Version.

Holy Bible vs New Age Bibles - Page 3 [Not A Jot Or A Tittle page 133]

"The Gideons currently have English scriptures available in both KJV and <u>Gideon modified</u> ESV. (55 verses were added or modified to the ESV to conform to the Textus Receptus where major doctrines were affected.)" ... "The changed ESV is not available to the public in stores. People might buy the original off-the-shelf ESV version and not realize it does not have the <u>Gideon's version</u> of the New Testament." Wes Buchanan {a Gideon}

It is also notable, that the <u>Equidistant Letter Sequences</u> also known as the Hebrew Codes <u>only work with the Ben Chayyim Masoritic text</u> {which the King James Version is based on} and not the Hebrew text used by the modern versions.

A simple test can be used on the vast majority of Bibles to determine whether the text is based on the corrupted texts: Mark 1: 2 states "As it is written in the prophets..." The quote is from two passages: Mal. 3:1 and Is. 40:3 The versions based on the corrupted text change the verse and insert the name "Isaiah" so that the verse reads: "As it is written in the prophet Isaiah..." Interestingly, the New King James Bible version relegates the name Isaiah to a footnote. Was this word "Isaiah" inserted accidentally? Certainly not! By inserting the name "Isaiah" into the text, the authors intentionally created "an error" in the text. By so doing they would later have a reason to discredit the accuracy of scripture.

<u>Here's another simple test -- John 7:</u>8 The KJV states that Jesus told his brothers: "Go ye up unto this feast: I go not up <u>yet</u> unto this feast; for my time is not yet full come." Other translations leave out the word "yet" implying that Jesus lied about going to the feast because in verse 10 Jesus did go up to the feast later. Luke 9:54-56 is a good example, where most modern translations leave out Jesus' answer to His disciples altogether.

Do I condemn those who use the "modern" translations? Certainly not! Very few people have taken the time to study this issue and the vast majority of people are completely ignorant of the facts and the ungodly individuals involved with the modern translations. I would caution anyone that while "modern" translations may appear to be "easier to understand" {in reality this usually isn't the case} **they cannot be relied upon for "serious" Bible study and do lead the readers to universalism.** My suggestion would be to **compare** any modern translation to the King James Version and **where there are differences, follow the King James**. The question for you to consider is: Did Jesus tell the truth that not a jot or title would pass from the law until all is fulfilled and was Paul telling the truth when he said **ALL** scripture is inspired by God?

Do any of the "modern" translations use the **uncorrupted** Greek and Hebrew texts? I've only found two besides my own **King James Paraphrase**. The Modern King James Version and the **Literal Version** [now referred to as **KJ3**] both compiled by **Jay P. Green Sr.** which are available in computer form from: **www.e-sword.net**. These translations are available for reading online now on my own web site. The Literal Version now called **KJ3** can be purchased online through **Sovereign Grace Publishers** at: **www.sgpbooks.com**. From what I have examined of both of these texts and compared it with Dr. Riplinger's book, I am satisfied that they pass the test as <u>not being based on the corrupted Hebrew and Greek versions</u>. However, the criticism I have of both of these versions at this point is that the author "corrects" the King James Version in cases where it does not agree with the Masoretic Hebrew or Received Greek text. At any rate, for anyone trying to break the trend of following the corrupted texts, and who has difficulty reading the Authorized King James Version-- Dr. Green's versions are the next best thing to the King James Version itself for printed Bibles.

[A-6] Examples of Missing Words and Verses of Scripture in Modern Translations

For more information see my article: <u>Holy Bible vs New Age Bible</u> at: <u>ww.TheWordNotes.com</u> And these books: <u>New Age Bible Versions</u> and <u>Hazardous Material</u> by Dr. G.A. Riplinger {<u>www.avpublications.com</u>} and <u>Look What's Missing</u> by David Daniels{<u>www.chick.com</u>}. Note: These books cannot be purchased in most book stores, but must be purchased online at the websites given. {Too much money is at stake for most book stores to carry the books!}

Here I am comparing the **KJV** with the **NIV**, [simply because I personally used the NIV for many years] however, you can check **any** modern version (HCSB, NIV, CEV, ESV, NASB, NKJV, TLB, etc.) and the results will be the same because they are all based on the same **corrupted** Hebrew and Greek texts which were **mutilated** in the late 1800's. Both Daniels and Riplinger have put verses **in parallel**, side-by-side, as I have done here to demonstrate literally **hundreds** of changes that have been made to our Bibles. I've been told, but have not personally verified that new publications of the King James Version are also being mutilated by some publishers. Riplinger in her book points out the individuals involved in many of the changes and how the changes reflect the **new age movement and Satan's attempts to attribute God's attributes to himself. Some translations have retracted some of the more noticeable changes.**

It is because of these discoveries that I began my own King James Version/King James Paraphrase Parallel Bible.

(36) And as they went on <i>their</i> way, they came	(36) As they traveled along the road, they

(Acts 8:36-38 KJV)	

Note that in modern translations Acts 8:37 is missing altogether

Look at the above scriptures and notice what has been left out of the modern translations. Then ask yourself these questions:

Examples of Missing Words and Verses of Scripture - Page 1 [Not A Jot Or A Tittle page 137]

- 1) Is Philip's answer to the Ethiopian eunuch important?
- 2) Is the eunuch's reply to Philip important?

Notice that "**morning star**" is substituted for **Lucifer**, but <u>Jesus</u> is the "morning star" (Rev. 22:16) not Satan.

(54) And when his disciples James and John	(54) When the disciples James and John

Notice that Jesus' answer is omitted altogether!

Notice that part of **Jesus**' words are omitted. Satan doesn't want to draw attention to his opposition to Jesus.

Notice that in verse 8 Jesus said: "I go not up <u>vet</u> unto this feast." – The most modern translations leave out the word "yet" implying that Jesus lied because in verse 10 it clearly says He went up to the feast. The NIV does put the word "yet" in the text, **but footnotes: "Some early manuscripts do not have** *yet.*"

Note that the phrase: "**art to come**" has been omitted in the modern translations – also note that this occurs also in Revelation 16:5

straight. (Mark 1:1-3 KJV)	paths for him.' " (Mark 1:1-3 NIV)

Note that modern translations insert the name "**Isaiah**" in verse 2 creating an "intentional" error The quote is actually from two verses Malachi 3:1 and Is. 40:3. Interestingly, the New King James version puts "Isaiah" as a footnote.

(2) And he said unto them, When ye pray, say,	(2) He said to them, "When you pray, say:

Notice what's missing!

(14) For this reason I kneel before the
Father,
(15) from whom his whole family in heaven
and on earth derives its name.
(Eph. 3:14 NIV)

Note: new versions consistently leave out references to the **Lord Jesus**. We know that "Father" in verse 14 is a reference to Jesus' Father, but Satan wants to claim that name for himself.

(32) Jesus answered them, Many good works	(32) but Jesus said to them, "I have shown

those works do ye stone me? (John 10:32 KJV)	For which of these do you stone me?"
	(John 10:32 NIV)

Modern translations consistently leave out references to "**my**" Father and change them to "**the**" Father.

[A-7] Who Changed the Scriptures?

Jesus said, "A bad tree cannot yield good fruit." Mat. 7:18

If we are to accept changes to scripture because someone says it's "not in the best of texts" it's important to know who says it's not is the "best of texts." If we accept changes in the scriptures, it's important to know who made those changes and what did they believe. There were various scriptures available to the early church which the early church never accepted as "canon" and they were not accepted as canon for various reasons. Suddenly in the late 1800's, certain men who did not agree with a number of basic doctrines of the church including: the deity of Jesus Christ, the Virgin birth, the atoning sacrifice of Jesus for sin, the Ascension, the infallibility of scripture, the literal physical return of our Lord Jesus, as well as other fundamental doctrines of the Christian church decided to incorporate some of those **non-canonical** texts into scripture where the scriptures did not agree with their personal beliefs. Among the leaders of that movement were B.F. Westcott and F.J. Anthony Hort. The following is a brief summary of notes taken from these men's **own** writings and documented in a much fuller detail in Dr. G.A. Riplinger's books: New Age Bible Versions and Hazardous Materials. Many of the actual changes are documented in her first book as well as by David Daniels in his book Look What's Missing as well as numerous other books by many authors. Most of these books cannot be found in book stores because of the potential loss of revenue. Most have been published at the writer's own expense and are only available online or through their own websites. {Links to a couple of these websites are on my own website.}

The following quotes are from <u>Appendix A</u> of <u>New Age Bible Versions</u>:

[Obtained by Ripplinger from the letters and works of these men kept in the British Museum in London.]

"Our Bible as well as our Faith is a **mere compromise**." (Westcott, On the Canon of the New Testament: A General Survey, p. vii)

"But from my Cambridge days I have read the writings of many who are called **mystics** with much profit." (Westcott, Vol. 2, p. 309)

"I reject the word **infallibility of Holy Scriptures** overwhelmingly." (Westcott, Vol. 1, p. 207)

Referring to the Traditional Greek Text, then currently in use, Westcott says, "I am most anxious to provide something **to replace them**."

He admits the drastic changes he plans and calls it, "our proposed **recension** of the New Testament." (Westcott, Vol. 1, p. 229)

Who Changed the Scriptures? - Page 1 [Not A Jot Or A Tittle page 147]

"It was during these weeks with Mr. Wescott, who had come to see him [Hort] at Umberslale, that the plan of a joint revision of the text of the Greek Testament was first definitely agreed upon." (Hort, Vol. 1, p. 240)

"In the evening I go with Tom to **the wizard**; but he does not dare perform before us." (Westcott, Vol. 1, p. 9)

In 1851 Hort joins the "Philosophical Society" and comments, "Maurice urged me to give the greatest attention to Plato and Aristotle and to make them the center point of my reading." (Hort, Vol. 1, p. 202, 93)

Hort refers to "the common orthodox heresy: Inspiration." (Hort, Vol. 1, p. 181)

"Campbell's book on the **Atonement**... unluckily he knows nothing except Protestant theology." (Hort, Vol. 1, p. 322)

"I hope to go on with the New Testament Text more unremittingly." (Hort, Vol. 1, p. 355)

"All the questionable doctrines which I have ever maintained are in it." [Referring the revision of the Greek Text.] (Westcott, Vol. 1, p. 290)

In 1845 Westcott, Hort, and Benson start the 'Hermes' (Luciferian) club.

In 1851 Westcott, Hort, and Benson start the "Ghostly Guild."

In 1852 Westcott and Hort distribute "Ghostly Guild" literature.

[D-7] What About The Nephilem?

The word "Nephilem" [merely a transliteration from the Hebrew] in Genesis 6:4 is often mistranslated as "<u>fallen ones</u>." A correct translation would be "<u>ones who cause to fall</u>," "tyrants," "bullies." Correctly translated in the Septuagint {translated by Jews}, The Bishop's Bible {1568 A.D.}, The Geneva Bible {1587 A.D.}, The King James {1611 A.D.}, The Webster Bible {1833 A.D.}, and multitudes of other older translations - as giants - all are in agreement.

(4) There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare *children* to them, the same *became* mighty men which *were* of old, men of renown. KJV
(4) There were giants^a in the earth in those days; and also after that, when the sons of God came in to the daughters of men,^b and they bore *children* by them, the same *became* mighty men which *were* of old, men of renown. KJP

- 6:4a giants nephilem {נפלים} ones who <u>cause to fall</u> translated in Septuagint [Greek] as gigantes {γίγαντες} or giants - erroneously translated as <u>'fallen ones</u>' in many modern translations
- 6:4b In Hebrew tradition the 'daughters of men' were descendants of ungodly Cain and the 'sons of God' were the descendants of godly Seth. Believers intermarrying with unbelievers a practice which is later explicitly condemned in both the Old Testament [Deut. 7:3; Josh. 23:12; Ezra 9:14] and New Testament [II Cor. 6:14-15; I Cor. 7:15,39]
 In Job 1:6 'sons of God' in context refers to angelic beings.

So why "<u>fallen ones</u>"? Because Satan and his disciples want people to believe that he can do anything that God can do. Since Jesus was conceived by the Holy Spirit, Satan wants people to believe that he can also have sexual relations with humans. Jesus in Matthew 22:30 states that such sexual relationships do not occur in heaven where we will be like the angels. Universalists working toward a universal bible have slipped the modern translation in.

[A-9] Supposed Errors In The Bible

The meticulous detailed accuracy of the Scriptures requires us to pay attention to exactly how things are worded and that we seek the Holy Spirit's guidance in our understanding. The vast majority of so-called errors in the Bible have nothing to do with Hebrew or Greek, but the fact that people don't pay attention to what they are reading in English! Some of those have already been dealt with in previous sessions. But there are a few statements in the Bible that bear closer examination because people don't know the background and misunderstand what is said. We'll address a few of those in this article.

Proverbs 26:4-5

- (4) Do not answer a fool according to his folly, lest you also be like him.
- (5) Answer a fool according to his folly, lest he be wise in his own conceit.

Here we are told one thing, and in the very next verse we are told the opposite. The plain truth that most of us understand is that how we respond to a person has to do with the context and who we are talking to at the time.

========

II Kings 8:26

(26) Two and twenty years old *was* Ahaziah when he began to reign; and he reigned one year in Jerusalem. And his mother's name *was* Athaliah, the daughter of Omri king of Israel. KJV

(26) Ahaziah was twenty-two years old when he began to reign; and he reigned one year in Jerusalem. And his mother's name *was* Athaliah, the daughter {granddaughter} of Omri king of Israel. KJP

II Chronicles 22:2

(2) Forty and two years old *was* Ahaziah when he began to reign, and he reigned one year in Jerusalem. His mother's name also *was* Athaliah the daughter of Omri. KJV

(2) Ahaziah was forty-two years old^{b*} when he began to reign, and he reigned one year in Jerusalem. His mother's name also *was* Athaliah the daughter {granddaughter} of Omri.^c

II Ki. 8:26 says that Ahaziah was twenty-two and II Chr. 22:2 says that he was forty-two. So which is it? The correct answer of course is that **both** scriptures are true! Ahaziah co-reigned with his father Jehoram at age twenty-two during the last year of Jehoram's reign because Jehoram was very sick. [II Chr. 21:19]. This means that Jehoram was 17 when he fathered Ahaziah [39-22=17].

Supposed Errors In The Bible - Page 1 [Not A Jot Or A Tittle page 151]

II Chr. 21:16-17 tells us that the Philistines and Arabians came and took everything from the king's house including his sons and wives and everything in it, so for a period of about twenty years there was no reigning king over Judah since the Philistines and Arabians were in control.

II Chr. 22:1-4 tells us that when Ahaziah was forty-two [20 years after his co-reign with his father] the people of Jerusalem made him king once again. Again, because of his wickedness [II Chr. 22:4] he only reigned one year. See footnote on II Chr. 22:2.

Note: II Chron. 22:2c – daughter of Omri – II Chr. 21:6 tells us she {Athaliah} was the daughter of Ahab and Jezebel so she was actually the granddaughter of Omri. Grandchildren are often referred to as sons or daughters [descendants]

I Kings 7:23; II Chronicles 4:2 [the value for pi.]

(23) And he made a molten sea {bowl; bath tub},^d ten cubits {about 15 ft.; 4.6 m.} from the one brim to the other: *it was* all around, and its height *was* five cubits {about 7.5 ft.; 2.3 m.}: and a line of thirty cubits {about 45 ft.; 13.7 m.} encircled it all around.

(24) And under its brim all around *there were* gourds encircling it, ten in a cubit {about 1.5 ft.; 0.46 m.}, encircling the sea {bowl; bath tub} all around: the gourds *were* cast in two rows, when it was cast.

(25) It stood upon twelve oxen, three looking toward the north, and three looking toward the west, and three looking toward the south, and three looking toward the east: and the sea {bowl; bath tub} *was set* above upon them, and all their back ends *were* pointing to the inside.

(26) And it *was* one hand breadth thick {about 4 in.; 10.2 cm.}, and its brim was formed like the brim of a cup, with flowers of lilies: it contained two thousand baths {about 11,600 gal.; 44,000 L.}.

7:23d – molten sea – a huge bowl {bath tub} to be filled with water and used by the priests for bathing [II Chr. 4:6] - 15 feet; 4.6 meters in diameter; 7 ¹/₂ feet; 2.3 meters deep, 45 feet; 13.7 m in circumference. Some argue that this passage gives an incorrect value for π since the diameter is 10 cubits but the circumference is 30 cubits. C/D= π . {30/10=3} There are actually three possibilities here.

(1) the tub isn't perfectly circular; possibly slightly oval

(2) the measurements are approximations

(3) the diameter is measured to the outside of the rim {which may be indicated in verse 26 and the brim is a hand-breath [4 inches] thick} and the circumference is measured on the inside. I'm inclined to believe this latter is the correct explanation. In actuality 3.14 is itself an approximation!

7:26e – bath – about 5.8 gallons or 22 liters – see <u>Appendix J: Bible Weights and</u> <u>Measures</u>

Note: the tub was one piece of molded brass [I Ki. 7:40-46] about 4 inches; 10.2 centimeters thick

Supposed Errors In The Bible - Page 2 [Not A Jot Or A Tittle page 152]

Conclusion:

ALL scripture is inspired by God [II Tim. 3:16]. Not a jot {the smallest letter} or a tittle {slightest stroke of a pen} will pass away until all has been fulfilled [Mat. 5:18]. Believe Jesus and follow His example about how scripture is to be used. Don't accept vain words of those who have rejected the deity of Jesus. If Jesus wasn't fully God and fully man, your faith is in vain. There is no other Name given under heaven whereby a person may be saved [Acts 4:12; Rom. 10:9]! If you believe Jesus was and is God, don't let vain people convince you to reject His view of scripture that it is the very Word that proceeds out of the mouth of God [Mat. 4:4]. If we believe that Jesus was and is God, our ultimate goal in life is to grow more and more like Him every day and to do things His way!

For those who do not already have an established daily Bible study routine, I would recommend reading {01} Genesis (to get some historical background) followed by {42} Luke. Luke gives Jesus' ministry in chronological order, explains some of the Jewish customs, and shows Jesus as the Savior for all who will accept Him as their Lord. For those with a Jewish background, I would recommend reading {40} Matthew before reading Luke, since Matthew shows Jesus as fulfilling Bible prophecy for the Jews' long awaited Messiah.

Introduction to KJP

This **KJP** {King James Paraphrase} version is intended to be merely a small update in the tradition of the updates compiled between 1611 A.D. and 1769 A.D.. Only changes which will make the King James Version more readable to today's society will be made. There is no attempt being made here to "correct" the so-called "errors" of the King James Bible. It is my opinion that the King James Version of the Bible is the most accurate translation ever compiled. Nor would I pretend to compare my work with the work of those noble scholars who utilized the best texts of Hebrew, Greek and multiple other languages available in their days. Having examined arguments from numerous sources I have come to the following conclusions: First, the vast majority of "modern" translations are based on corrupted Hebrew and Greek texts which have in fact been mutilated by ungodly men. Second, the Authorized King James Version itself while it is primarily based on the Hebrew Ben Chayyim Masoritic Text and the Greek Received texts, does in fact depart from those texts for reasons and/or manuscripts which are unknown to us today. Third, the King James Version we use today has itself been updated a number of times between 1611 A.D. and 1769 A.D and since. The first of those updates were made by individuals who actually worked on the original 1611 A.D. text. In none of those updates was there a reason or an attempt to "correct" the original, but merely to make the text more readable mostly by updating spelling of words. Fourth, modern translations frequently leave out words, merely to shorten the text for cheaper publication costs. Luke 9:54-56 is a good example, where most modern translations leave out Jesus' answer to His disciples. In Acts 8:37 most modern translations intentionally leave out Philip's answer to the eunuch altogether. In some cases such as John 7:8-10 modern translations leave out the word "yet" when Jesus said He was not going "yet" up to the feast of the Passover - modern translations leave out the word "yet" making Jesus a liar – saying He's not going up to the feast. Countless other changes are equally disturbing. My goal here, is merely to make the Word of God easier for the current generation to read. Nor is there any attempt to use "correct" English grammar at the expense of accuracy in translation. I am placing the King James 1769 Version in parallel with this King James Paraphrase so that all changes can be readily seen by everyone and keeping it in parallel for reference purposes. For more information see Appendix I: Examples of Missing Words and Verses of Scripture in Modern Translations and my article Holy Bible vs New Age Bibles at www.TheWordNotes.com

Note on word changes: In order to make the text more readable to this present generation, some words have been replaced. In some cases the order of words has been changed. While it is true that any such changes may not grasp the full meaning of the original – this fact is equally true for all translations.

Page numbering used here includes a **decimal numbering system** with **the book number to the left** of the decimal and **page numbers and chapters within the book to the right** of the decimal. Books are numbered by their order in the King James Version.

Where the word **LORD** or **GOD** is in all caps it is the Name of the Lord {Jehovah, Yahweh}. I have retained that convention from the Authorized King James Version and inserted **{Jehovah}** so that there is no question that it is the **Name** of the Lord.

Nouns and pronouns referring to God are capitalized. Words of God in the Old Testament and words of God the Father or God the Spirit in the New Testament as well as words of angels delivering God's word to individuals are in blue. There is often some question when prophecy is being given whether the words are God's words, or words of the prophet. This is as it should be since the prophet speaks God's words. Where there is a question, I have tried to err on the side of the words being from God Himself.

(Anno Hominis - year of man - counted from the creation of Adam and Eve) /C-B.C. dates based on Dr. Cooper's work: Messiah: His First Coming Scheduled {1939 A.D.} For more information on these Appendix G: World Time Line of Biblical History. dates see: Explanations for departures from Archbishop Ussher's 1650 A.D. chronology are noted and explained in Appendix G:. The '*' asterisk in the text shows where the date is referenced. Dates such as {1/14/2513 A.H.} [Exodus 12:41] are based on the Biblical calendar as given in Exodus 12:2. Month designations [Nisan 14, 2513 A.H.] use the modern Jewish calendar names. Both 1/14/2513 A.H. And Nisan 14, 2513 A.H. are merely a modern translation of the dates actually given in scripture. See Appendix L: The Modern Jewish Calendar and Holy Days. See also, The Jewish Calendar at www.TheWordNotes.com for a more detailed understanding of the Jewish calendar.

The King James Version used in parallel here is the 1769 A.D. version as provided on **http://www.e-sword.net**. The following note comes from

<u>http://www.crossway.org</u> concerning the red-letter edition: **"The first red-letter** New Testament was published in 1899, and the first red-letter Bible followed two years later (in 1901)."

Statement of Belief

It is my personal conviction that

- (1) Every single word and letter of scripture is important.
- (2) That the scriptures say what they mean, and mean what they say.
- (3) The scriptures are historically, scientifically, and mathematically accurate in every detail. {Note: I am a physics, mathematics, and computer instructor and I take this very seriously. <u>The Equidistant Letter Sequences</u> [commonly referred to as 'Hebrew Code'] as described in notes by myself and others are genuine and are not a human fabrication. To say otherwise is a display of mathematical ignorance and a rejection of the Creator and Author Himself.}
- (4) God sent His only Son, Jesus Christ, Who was born of a virgin, Who lived and died as fully God and fully man. Who arose from the dead and is seated at the right hand of our heavenly Father. He has purchased salvation for all who would accept Him as their personal Lord and Savior. And He's coming back again to first call His children home, then to return with them to reign upon this present earth for 1000 years and on the new heavens and new earth for all eternity.
- (5) Those who pridefully reject God's free gift of salvation through His only Son, Jesus Christ, will spend all eternity in hell as the scriptures plainly teach.
- (6) Anyone who does not hold to these minimal convictions is disqualified from participating in any way in the translation of or paraphrase of scriptures.
